

Pupil Acceptable Use Policy

September 2020

(Based on SMART Rules: www.childnet.com)

Safe

- I ask an adult if I want to use the internet
- I keep my information private on the internet
- I am careful if I share photos online
- I know that if I do not follow the school rules then:
 - My peg will be moved down;
 - Parents will be informed;
 - Temporary ban on the use of school devices;
 - Exclusion;

Meeting

- I tell an adult if I want to talk to people on the internet
- If I meet someone online I talk to an adult

Accepting

- I don't open messages from strangers
- I check web links to make sure they are safe

Reliable

- I make good choices on the internet
- I check the information I see online

Tell

- I use kind words on the internet
- If someone is mean online then I don't reply, I save the message and show an adult
- If I see something online I don't like, I will tell a teacher

This poster will be used to teach the children the importance of acceptable use and staying safe online. It is taken from Childnet International. This will be displayed around the school, on the school website and printed in Pupil Planners. Staff will refer to this regularly with children.

BE SMART ONLINE 

S SAFE  Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET  Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A ACCEPTING  Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE  You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL  Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART  Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

WWW.CHILDNET.COM

Dear Pupil

All pupils at our school use computer facilities, including internet access, as an essential part of learning in today's modern British Society. You will have the opportunity to access a wide range of technology resources. This includes access to:

- Computers, laptops and other digital devices
- The Internet, which may include search engines and educational sites
- School learning platform/intranet
- Email
- Games consoles and other games-based technologies
- Digital cameras, webcams and video cameras

At South Borough Primary School we recognise the essential and important contribution that technology plays in promoting your learning and development, both at school and at home. However, we also recognise there are potential risks. The school will take all reasonable precautions to ensure that you are as safe as possible when using school equipment and will work together with you and your family to help you stay safe online.

At South Borough Primary School we want to ensure that all members of our community are safe and responsible users of technology. We will support you to:

- Become empowered and responsible digital creators and users
- Use our resources and technology safely, carefully and responsibly
- Be kind online and help us to create a community that is respectful and caring, on and offline
- Be safe and sensible online, and always know that you can talk to a trusted adult if you need help

Should you have any worries about online safety then you can speak with any adult within the school. You can also access support via websites such as www.thinkuknow.co.uk and www.childline.org.uk

We request that you and your family read our school Acceptable Use Policy and return the attached slip. We look forward to helping you become a positive and responsible digital citizen.

Yours sincerely

Mrs J Olivier
Executive Headteacher
