

SOUTH BOROUGH PRIMARY SCHOOL

Year 2 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

English

This term's writing we will be focusing on using a range of sentence types such as questions, exclamations, statements and commands. We will begin by writing an information text about toys that will include conjunctions. Later on in the term, we will write a recount and then a letter that link to superheroes. Please keep practicing letter formation with your children as well as spelling of key year 1 and 2 words.

Maths

This term in maths, we will be covering money, time and statistics. We will look at the different coins and notes and use them to calculate amount and find change. We will then understand how to read time including o'clock, half past, quarter past and quarter to. We will finish the term by look at graphs and charts including tally charts and pictograms.

Science

Our science topic this term will be living things and their habitats. We will look at what makes something alive, dead or never been alive and will then move on to understanding why habitats are important to survival. We will have a go at designing and making our own habitats.

History

This term, we are exploring the Romans in Britain. We will look at the growth of the Roman Empire, army, invasion and towns. We will discuss the changes that the Romans made to Britain and why this is important in our History.

Art

This term year 2 will be using objects to print from, they will explore lines, shapes and symbols and create some amazing printworks in the style of the Spanish artist Joan Miro.

Physical Education

In PE this term, we will be learning about hockey and a number of paralympic sports such as Boccia and Goalball.

Computing

We are looking at stop motion animation this term. We will explore what animation is and then have a go at creating our very own stop motion animation!

Personal, Social, Health and Economic Education (PSHE)

This term's Jigsaw theme is Relationships. We will be looking at different families as well as considering how friendships can grow and develop.

Design Technology

Our DT topic is moving machines. We will be understanding pivots, levers and linkages. We will then be using our knowledge to make our own moving monster using card and split pins.

SATs

During the month of May, children in Year 2 will be taking SATs. We will be referring to these in school as superhero missions to limit the pressure on the children. If your children mention these at home please also refer to them in this way.

Books we will be reading this term:

RE Day - Buddhism

This term's religion is Buddhism. Our key question is 'How should we care for others and the world and why does it matter?'

Value of the Term

Determination

We aim to be the best we can be in everything we do.

Home Learning

Remember to keep logging on to Mathletics to practise maths. Try to read and watch phonics videos, get your reading record signed to gain your reads!
