A Learning Ladder for Life

9th June 2021

Dear Parent/Carer,

RE: Canvassing Year 6 residential interest for 2021/22

As you may already be aware, Year 6 would usually attend a residential visit to provide children with an opportunity to:

- be away from home (some for the first time);
- to take part in experiences that would not normally be available in a school setting or at home;
- develop independence and teamwork skills

As a school, we would like to gain an understanding of what the majority of current Year 5 parents/carers would be interested in regarding a residential visit when your children are in Year 6. Below is a link to a Google Form which will outline some of the options that are available. You may also wish to look at the residential provider's website which may be found by clicking [here](#).

Some of you will have varying opinions and we also understand that there is a financial implication to families as well.

We kindly ask you to complete [this Google Form](#) by 11th June at 12pm so that we can gain a greater understanding of what your preferences are and to secure a booking with the residential provider as soon as possible.

Before completing this form, you may also wish to consider the view/s of your child/ren.

Thank you for your support with this and we look forward to hearing your views.

Yours sincerely,

Mr L Clarke
