

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 4 Learning Flyer - Term 1

This Learning Flyer shows what your child will be learning this term.

### English

In English the children will be writing a description based on a short film called Marshmallows. They will be developing their use of rich vocabulary and a variety of sentence starters. Our class book this term is *The Lion, the Witch and the Wardrobe* by C.S. Lewis. This book fits nicely with our second piece of writing which is a letter from the children in the story to their mother.

### Maths

In Maths this term, the children will be learning about place value, representing numbers up to 1,000. They will also be learning how to round to the nearest 10, 100 and 1000. Later in the term the children will also be building on their Year 3 knowledge by learning about addition and subtraction, using column method with up to 4-digit numbers. We will also be recapping the two times tables.

### Science

In Science we are learning about Forces. Children will learn about a range of different forces and how they can be applied to objects. We will carry out investigations using gravity, friction and magnetism. The end of the term will focus on magnetism where children will explore whether objects are attracted to magnets or not.

### History

In History this term, the children will be learning about the Stone Age. They will be building their knowledge of the prehistoric period, understanding how people lived during the Stone Age and what life was like. Our Stone Age Day is on Wed 27th Sept. Hobgoblin Theatre Company will be performing and providing an interactive workshop for the children.

### Design Technology

In DT this term the children will be looking at understanding mechanical systems. They will design and assemble a slingshot car.

### Physical Education

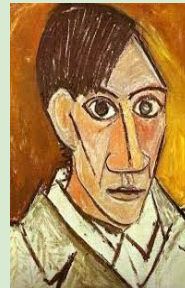

During outdoor PE sessions the children will be learning to play Tag Rugby with our Team Theme coach. They will also be playing Rapid Fire Cricket, learning simple patterns of play within a team.

### Computing

This term in computing the children will be looking at computing systems and networks, working collaboratively as a team.

### Art

This term year 4 will be learning about one point perspective and the concept of space. They will develop their drawing skills using lines, shapes and tonal value to create some of their own art works inspired by artists such as Da Vinci and Picasso.

### RE Day

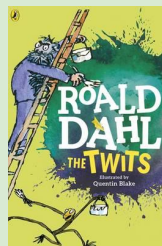

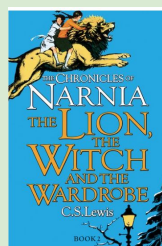

Our R,E Day this term will teach the children about the Sikh religion. Our key question will consider, 'Why do people pray?'

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Being Me in My World'. We will recognise how important it is to be part of a team and how to make people feel welcome and valued. We will use our Zones of Regulation lessons to help in regulating our feelings.

### Books we will be reading this term:

### Value of the Term

**KINDNESS**

**We use kind words and think before we speak**

**Our assemblies will be focused on developing children's understanding of this value.**

### Home Learning

**Remember to keep logging on to Mathletics to practise maths. Try to read and watch phonics videos, get your reading record signed to gain your reads!**
