

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 1 Learning Flyer - Term 1

This Learning Flyer shows what your child will be learning this term.

### English

In English this term, Year 1 will be practising letter formation, using capital letters, finger spaces and full stops to create sentences.

In Phonics, we will continue to practise and learn single sounds, digraphs and trigraphs.

We will use Fred talk and Fred fingers when reading and writing.

### Maths

This term, Year 1 will be learning about Number - Place Value (within 10). To start with we will be looking at sorting objects in different ways, such as by shape, colour and type and size. We will match objects, such as socks, into pairs and groups animals and insects by the number of legs they have.

### Science

In Science this term, Year 1 will be learning about materials, such as wood, metal, plastic and glass. We will sort and classify objects according to the material they are made from. We will also learn about the properties of materials, such as absorbency, flexibility and transparency. Throughout the year, we will be studying the seasons. We will observe Autumnal changes over time and gather and record data about leaves.

### History

For History this term, Year 1 will be learning all about Kings and Queens. We are linking our learning to design and technology where we look at features of a castle and attempt to make our own trebuchets! We will be looking back through history at the many different monarchs England has had, as well as comparing the British monarch to a monarch of an African country. It will be fantastic for the children to learn about another culture, as well as be able to make comparisons to what they already know.

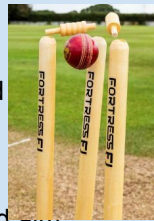

### Design Technology

In DT this term, we will be looking at moving mechanical parts and how objects are able to move. We will be making our own mechanical parts starting with sliders.

### Physical Education

For PE we will be focusing on two topics, basketball and rapid fire cricket. This will help the children to improve their gross motor skills by helping them to learn how to catch, throw and aim.

### Computing

This term we will be learning about the hardware of a computer and what the inputs and outputs are. We will also be using cameras as well as learning about online safety and what to do to keep safe.

### Art

Year 1 will be learning about how to use lines and shapes to draw. They will be studying the artist Paul Klee and creating some beautiful castles!

### RE Day

This term during our R.E day, we will be discussing which stories are special to us and why and focussing on the key religion, Sikhism. We will listen to stories from Sikh culture and learn about some of their customs and traditions.

### Personal, Social, Health and Economic Education (PSHE)

We will be learning about feeling special and being safe. We will talk about 'what special is' and discuss why we are all special. In addition, we will explore how we can stay safe and recognise why safety at home and in school is important.

### Books we will be reading this term:

### Value of the Term

## KINDNESS

We use kind words and think before we speak. We recognise and reflect upon the feelings of others. We will continue to take turns when speaking and playing.

Our assemblies will be focused on developing children's understanding of this value.

### Home Learning

Remember to keep logging on to Mathletics to practise maths. Try to read and watch phonics videos and get your reading record signed to gain your reads!
