

SOUTH BOROUGH PRIMARY SCHOOL

Year 4 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

In our English lessons the children will be re-telling the story of Taking Flight, a tale of a child's adventures with his grandparent. Later in the term we will be carefully selecting vocabulary to write seasonal poetry.

We will continue our focus on handwriting, particularly when joining, as we also ensure our letters are a consistent size and are consistently spaced.

Maths

We will continue to learn about addition and subtraction, using column method. We will also be learning how to calculate and compare area. Later in the term, we will work on our multiplication and division problem solving skills. We will also be recapping our 5 times tables.

Help your child at home by encouraging TTRS for a few minutes, 4-5 times a week, as well as regular practise on Mathletics.

Science

In Science we are learning about Electricity. The children will learn about a range of electrical appliances and how they produce useful and wasted energy. We will investigate electrical circuits and apply our knowledge to construct simple circuits. The children will also learn about the dangers of electricity.

History

In History this term, the children will be learning about the Bronze Age and Iron Age. They will be continuing to develop their knowledge of the prehistoric period, understanding Bronze Age culture and settlements. Towards the end of the term, the children will be exploring and re-creating Iron Age art.

Design Technology

In DT this term the children will be adapting recipes. They will design and bake a product following a budget.

Physical Education

During outdoor PE sessions the children will be learning the skills of football, including simple techniques, and very importantly, how to play as part of a team. They will also be developing their dance skills with our Team Theme coach.

Computing

This term in computing the children will learning about programming, using scratch to code and create games.

Art

This term year 4 will be learning about the Impressionists and their use of colour and light. The children will use their colour theory knowledge to create some beautiful pieces of art in the style of the Impressionists.

RE Day

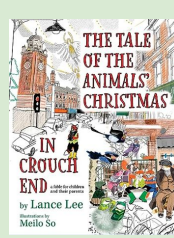

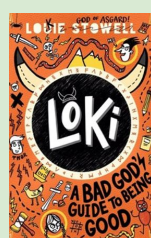

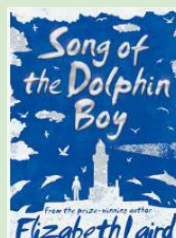

This terms RE day will be based on Christianity.

We will explore Christian beliefs and will learn about how christians show their faith.

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Celebrating Difference'. We will be understanding judgment and developing our understanding of bullying. We will use our Zones of Regulation lessons to help in regulating our feelings.

Books we will be reading this term:

Value of the Term

RESPECT

We listen to the viewpoint of others.

Home Learning

Read for 20 mins each night - signed reading records earn rewards!
TTRS and Mathletics increase maths skills as well as earning certificates.
