

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

Our writing will focus on two genres - a narrative and a flashback!
The children will begin the term by re-telling the story of Francis - [watch it here!](#) Following this, the children will be focusing on the story of a WW2 soldier, recalling the traumatic events of the war and watching his comrade fall - [watch it here!](#)

Maths

This term, we will continue our learning on place value by looking at long division and the order of operations. Following this, we will begin our learning on fractions. We will explore equivalent and simplifying fractions as well as adding and subtracting any fraction. Please see video guides below:

[Long Division - Click Here](#)

Science

Pupils will be learning about Earth and Space. They will explore the Solar System and the relationship between the Earth, the Sun and the Moon!
The children will also be taking part in a Virtual Reality Space Experience, jetting off to explore the Solar System for themselves! If you would like to discuss Earth and Space at home, you could watch this video - [click here.](#)

History

This term, pupils will be exploring World War 2. We will begin the topic looking at the causes of the war, the importance of alliances and research the key historical figures. [World War 2 clips - click here.](#)

On Thursday 7th December 2023, we will be travelling to the Imperial War Museum for our school trip.

Design Technology

Our D.T learning this term will be focussing on food technology. The children will be creating recipes and making dishes for a three course menu!

Physical Education

This term, the pupils will be doing football, to develop their teamwork and communication skills. The children will also be developing their coordination during dance sessions! Why not try a Joe Wicks 5 minute workout! [Click here.](#)

Computing

This term, we will be looking at the 'History of Computing'. We will be exploring radio plays, and later in the term creating our own radio plays.

Art

This term Year 6 will be learning about the exciting abstract Artist Bulsby 'Buzz' Duncan and how to use colour combinations like analogous and split complementary to create their own Buzz style masterpieces!

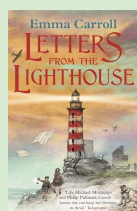

RE Day

In Term 2, we will be revisiting the question "What do religions say when life gets hard?". This time, we will have a focus on Christianity.

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is 'Celebrating Differences'. We will explore perceptions of normality, understanding disability, showing empathy and celebrating our differences.

Books we will be reading this term:

Value of the Term

RESPECT

We listen to the viewpoint of others.

Home Learning

Remember to keep logging on to Mathletics to practise maths. Also, your class teacher will set you a maths page to complete each week! Try to read and make sure you get your reading record signed to gain your reads!
