

SOUTH BOROUGH PRIMARY SCHOOL

Year 2 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

This term our reading and writing is going to be based around fairytales. In reading, we will look at a number of original fairytales. The children will compare these stories to alternative 'twisted tales'. In writing, the children will have the chance to retell part of a story, write a newspaper report about a fictional event and create their own shape poem.

How can you help? Please continue to read for 10 minutes each evening with your child to help them achieve their reading rewards.

Maths

We will be continuing our learning about addition and subtraction this term, focusing on using our tens and ones to do this. After this, we will be looking at the properties and features of 2D and 3D shapes. We will also be using our trial and error skills to solve problems.

How can you help? Encourage your child to play numbots regularly.

Science

We will be continuing our learning about materials this term. The children will use what they have learnt this term about different materials and what is waterproof to design, create and evaluate a boat.

How can you help? Discuss the materials that you see in the world around you with the child and talk about why they might be suitable for a specific purpose.

History

This term, we will be learning about Romans. We will focus on the Roman's invasion of Britain and will explore what made their army so successful as well as how they changed Britain when they invaded.

Computing

In computing, Year 2 will be learning about algorithms this term. They will learn what an algorithm is and then have a go at creating their own algorithms to solve problems. The children will also continue to learn about online safety throughout the term. **How can you help?** Talk to your child about how they can stay safe online.

Design Technology

Our topic for DT this term is textiles. We will look at how to complete a running stitch and use this knowledge to make our very own pouches!

Physical Education

Our PE days this term are Monday and Wednesday. We will be looking at the paralympic games include boccia and goal ball. We will also be taking part in multi-skills which will involve working together as a team.

Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, our topic will be celebrating differences. The children will discuss the differences between boys and girls. They will then learn about bullying and will think about what we can do if bullying happens.

How you can help? Talk to your child about how family or friends might be different to them and encourage them to celebrate these differences.

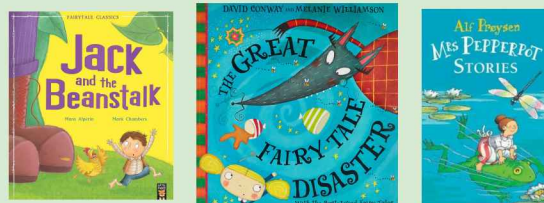

Art

Year 2 will be learning about colour this term, they will mix colours and create tone, tints and shades. The children will be learning about the artist Piet Mondrian and will create some of their own masterpieces!

RE Day

This terms RE day will focus on Catholicism/ Christianity. We will explore Who is a Catholic and what do they believe? How does it differ from Christianity.

Books we will be reading this term:

Value of the Term

Respect

Remember to show expected behaviours in our community.
