

# SOUTH BOROUGH PRIMARY SCHOOL

## EYFS Learning Flyer - *Term 1*

This Learning Flyer shows what your child will be learning this term.

### **Phonics - Literacy**

In Reception, we will be starting our Read Write Inc phonics lessons, focusing on a new sound each day. As we learn new sounds, we'll also be discovering the letters that represent them, and how to form the letters when writing. In Nursery, children will start with listening and recognising the sounds around them. Noises that we hear in school, outside, at home and noises that animals might make.

#### **How can you help?**

Watch and encourage your child to join in with this matching pictures video [here](#)

### **Maths**

Reception will start the term by exploring patterns within nature and patterns made of 2-Dimensional shapes. We will also be matching and sorting objects together into categories, such as long stick and short sticks. We'll be practicing our 1:1 correspondence by comparing the amounts in our groups; 'Which group has the most amount of sticks?'. In Nursery we'll be comparing, looking at, more than, fewer than and the same with a variety of objects.

#### **How can you help?**

Click [here](#) for numberblocks videos for number learning.

### **Understanding the World**

The children in Reception and Nursery will start to discuss their families, talking about the similarities and differences between themselves and their friends. As we look at our 'all about me' topic, we'll also talk about what we look like, where we live and who is around us.

#### **How can you help?**

Click [here](#) to watch a video about lots of different families. Can your child(ren) talk about who is in their family?

### **Personal, Social and Emotional Development**

As they start school, we'll be encouraging the children to be confident as they try new activities, manage their own needs and work cooperatively with their peers to form friendships. The children will start to identify when they need to put on a cardigan, or go to the toilet, or help themselves to a snack.

#### **How can you help?**

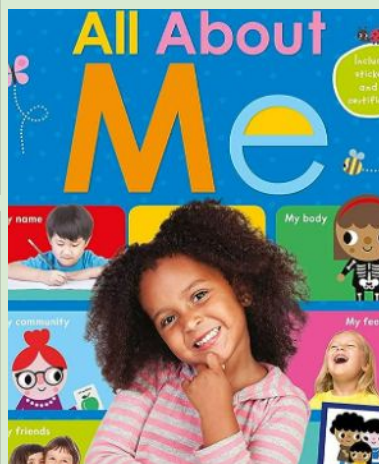

Click [here](#) to watch a video about 'Pantosaurus', talk with your child(ren) about how pants are private!

### **Communication and Language**

Reception and Nursery will have many opportunities to talk about themselves as well as listen to others, using new learnt language in their Free Flow time.

#### **How can you help?**

Ask your child(ren) questions about their day, encourage them to speak in full sentences.

### **RE Day**

In RE We'll be looking what what stories are special to us and why. We will also cover stories that are special across other Religions like Christianity, Judaism and Islam.

### **Expressive Arts and Design**

Reception and Nursery will experiment with a variety of artistic equipment this term, such as painting, crayons, pencils, chalks and junk modelling. The children will also consider which materials to use within their crafts too, such as glitter and feathers etc.

#### **How can you help?**

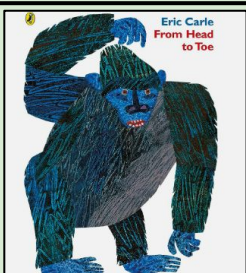

Encourage your children to use a range of equipment to create Artwork at home.

### **Physical Development**

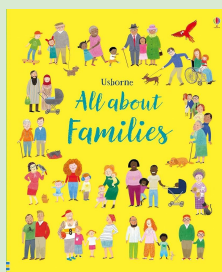

The children will be enjoying exploring activities in the outdoor area. They will begin to negotiate their new space and navigate obstacles. The children will develop their gross motor skills through the bikes and scooters, and their fine motors skills through delicate tasks such as cutting with scissors or gripping a pencil.

#### **How can you help?**

Click [here](#) to try some fun activities to get moving

### **Books we will be reading this term:**

### **Home Learning**

Try to read and watch phonics videos and get your reading record signed to have your read counted! Please talk to your child about their feelings in regards to starting Reception.

### **Value of the Term**

## **Determination**

We aim to be the best we can be in everything we do.
