

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 3 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

### English

In English, we will be using the book *The Miraculous Journey of Edward Tulane* by Kate Di Camillo to help us create a diary entry from the point of view of the main character. We then continue to use the book to inspire us in creating a traditional Japanese style Haiku Poem.

We will continue our focus on handwriting, particularly when joining, as we also ensure our letters are a consistent size and are consistently spaced.

### Maths

This term in maths, we will again be focusing on multiplication and division. We will be recapping 2s and 4s and then focusing on the 8s. After this, we will be learning to multiply and divide 2 digit numbers by single digit numbers using formal methods.

Help your child at home by encouraging TTRS for a few minutes, 4-5 times a week, as well as regular practise on Mathletics.

### Physical Education

With the sports coach this term, the children will be learning to improve coordination, control and balance in gymnastics. With the class teacher the children will be practising passing, shooting and movement skills during basketball and netball sessions.

### Design Technology

The children will be researching, designing and making an electronic poster containing a simple electrical circuit. Following a design brief, they will consider which parts of the poster will contain a bulb.

### Geography

We will be focusing on physical geography (naturally occurring) with a focus on Europe. This will include climate, natural wonders and looking at mountainous regions of Europe.

### Science

In Science, we are learning about plants. The children will learn about the different parts of plants and their functions. As well as exploring the requirements for life of all living things.

### Computing

In computing, the children will be looking at emailing. Focusing on e-safety as well as being able to edit emails and adding attachments.

### Art

Year 3 will be learning about actual and visual texture. The children will be creating their own masterpieces in the style of Jesse Reno and Jim Dine.

### Spanish

This term, we will be recapping our previous learning and then move onto learning different fruits and vegetables.

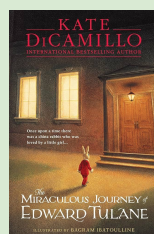

### RE Day

This term, the focus of our RE day will be exploring what it means to be Hindu in Britain today.

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is *Dreams and Goals*. We will think about different people and the challenges that they may face and then think about our own goals and consider the challenges we might face in achieving these.

### Books we will be reading this term:

### Value of the Term

**DETERMINATION**

**We don't give up - we ask for help if we need it.**

### Home Learning

Remember to keep logging on to Mathletics to practise maths. Try to read and watch phonics videos, get your reading record signed to gain your reads!
