

SOUTH BOROUGH PRIMARY SCHOOL

Year 1 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

English

In English this term, Year 1 will be exploring different types of text. We will be looking at fables and focusing on 'The Lion and the Mouse'. By retelling this tale, the children will show greater understanding of morals that can be learnt. We will also be learning about 'Chinese New Year' which is the year of the Dragon! We will be using this as a focus for a non-fiction information text.

Maths

In Maths, Year 1 will be learning about '**Place Value**' (within 20), in addition to '**shape**'. First we will look at 3D (as these are tangible shapes that they can touch and feel). Children are required to name the following 3D shapes; cuboids, cylinders, cones, pyramids and spheres. Please focus on naming & matching them. Encourage them to talk about the 2D faces on a 3D shape; supporting them later on when they look at 2D shapes in more detail.

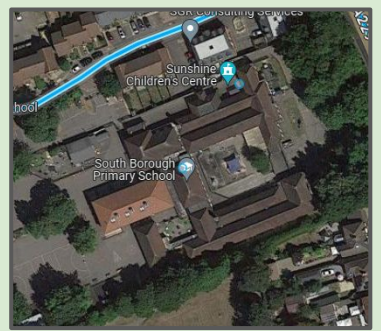

Science

In Science this term, Year 1 will be learning about animals including humans. This will involve being able to recognise a variety of animals, where they live and what they eat. We are very lucky and will be having a visitor come in with some animals for us to meet this month. It is going to be very exciting! Throughout Year 1, we study the 'Four Seasons'. This term, we will be observing Winter changes happening, leading us nicely into **Spring**.

Geography

For Geography this term, Year 1 will be learning all about the local area and where we live. To do this we will be looking at maps, aerial photographs and learning about the differences between natural and human features. The children will be creating their own maps of the local area, you could help out at home too; When you are out walking through the town or on your way to school, you could point out landmarks; buildings, rivers, parks and roads.

Design Technology

In DT this term we will be creating puppets! We will learn all about the different types of puppets. This will link with our learning of the Chinese New Year as shadow puppets originated in China over 2,000 years ago! We will be creating hand puppets based on a character from the book, 'The Great Race'.

Physical Education

In P.E we will be learning about two kinds of activities this term. The first is gymnastics with a focus on balance and strength this will involve good control and determination. The second activity is football with a focus on accuracy and passing. This will aim to help the children with ball control and teamwork. Year 1 P.E days are; **Mondays** and **Tuesdays**. Please ensure that your child wears the correct P.E kit on those days and school uniform for the remainder of the week.

Computing

Year 1 will be learning more about 'online safety', in addition to '**exploring new devices**' such as Beebots. We will learn 'how to instruct/program a Beebot to maneuver'.

Art

In Art this term, Year 1 will be learning about how to create texture.

They will be studying the exciting Pop Artist **Romero Britto**.

R.E Day

This term during our R.E day, we will be learning about the religion '**Hinduism**'. This term the R.E day will answer the question 'how and why do we celebrate special times'?

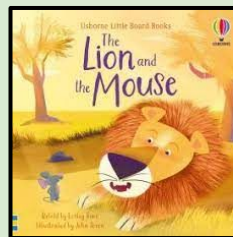

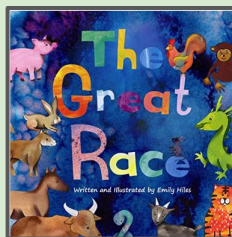

Personal, Social, Health and Economic Education

'Dreams and Goals'

In Jigsaw this term, we will be learning how to set ourselves goals, identify successes and how we feel about our achievements. We will also be celebrating those successes, while working as a team when tackling challenges, identifying and overcoming any obstacles.

Books we will be reading this term:

We will continue our daily learning of phonics.

Value of the Term

DETERMINATION

**We don't give up -
we ask for help if
we need it.**

Home Learning

Remember to keep logging on to Mathletics to practise maths.

Try to read every day and watch phonics videos on class Dojo, get your reading record signed daily to gain your reads!
