

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 4 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

### English

In our English lessons the children will be writing an explanation text about skeletons. They will build on knowledge learned in Science to produce this informative text.

Later in the term the children will travel back in time as they combine their History learning of The Romans with their wonderful storytelling skills, to write a narrative about Pompeii and the eruption of Mount Vesuvius.

### Maths

In maths, we will be learning about decimals. We will be learning to divide by 10 and 100 and comparing and ordering decimal numbers.

We will also be recapping our 9, 11 and 12 times tables.

**Help your child at home by encouraging TTRS for a few minutes, 4-5 times a week, as well as regular practise on Mathletics.**

### Science

In Science we are learning about animals including humans. We will start by learning about the different types of skeleton and how they protect the body. Later in the term we will also be learning about the function of muscles, teeth and the digestive system.

### History

We'll be transported back in time to explore the fascinating world of Ancient Rome! This term, we'll delve into the rise and fall of this mighty empire. We'll discover how Rome grew powerful, explore daily life for citizens, and learn why the empire eventually crumbled. Get ready for exciting adventures in Roman history!

### Design Technology

In DT this term the children will be exploring textiles. They will be learning about fastenings and stitching before designing and assembling a book jacket.

### Physical Education

In PE this term the children will be learning to how to play a range of paralympic sports including seated volleyball, boccia and goalball. With Team Theme the children will be playing tri golf, learning to choose and use simple tactics and keeping to the rules.

### Computing

In computing the children will be developing their understanding of computational thinking and learn to problem solve.

### Art

This term year 4 will be learning about printmaking. The children will make their own stamps and blocks with a variety of materials and use them to create some beautiful Fauvist style printworks in the style of contemporary American artist Karen Lederer.

### Spanish

The children will build on previously taught vocabulary and learn how to say various names for family members in Spanish. They will also be consolidating their knowledge of numbers from 1-100.

### R.E. Day

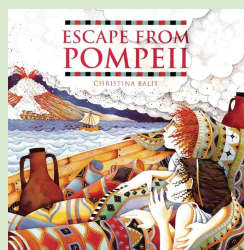

This term during our R.E day, we will be learning about the religion 'Buddhism'.

It will take place on Thursday 23rd May.

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Relationships'. We will recognise how friendships change and learn how to show appreciation for people who are special to us. We will use our Zones of Regulation to help in regulating our feelings.

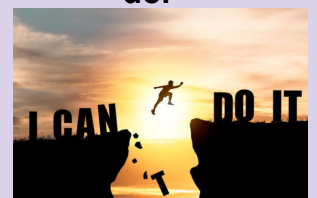

### Books we will be reading this term:

### Value of the Term

## Determination

**We aim to be the best we can be in everything we do.**

### Home Learning

**Read for 20 mins each night - signed reading records earn rewards!**

**TTRS & Mathletics increase maths skills as well as earning certificates & rewards.**
