

SOUTH BOROUGH PRIMARY SCHOOL

Year 4 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

English

In English we will continue to develop our story writing skills as we write a narrative based on the popular book and film, How to Train Your Dragon. [How To Train Your Dragon Trailer. Chapter 1](#) Later in the term we will be linking our writing to our learning in Geography as we write a text on the wonderful county town of Maidstone.

How can you help?

Rollama is a great resource to support your child's spelling, punctuation and grammar. [Rollama](#)

Maths

In maths, we will be learning about money and time, focusing on converting to and from 24 hour time. Later in the term we will be looking at shape, by identifying and comparing shapes and angles.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week, as well as regular practise on [Mathletics](#).

Science

This term in science, we are continuing to learn about animals including humans by understanding food chains and how nutrition affects our health. Have a look at [this lesson about human and animal teeth!](#)

Geography

In Geography this term, we will learn how to use maps and globes to locate places including using four figure grid references. We will also learn about the key features of Maidstone and how these have changed over time.

Design Technology

In DT this term the children will be finalising their designs and assembling a book jacket, using a range of textiles and fastenings.

Physical Education

In PE this term the children will be preparing for sports day by taking part in athletic activities. With Team Theme the children will be playing ultimate frisbee, learning to choose and adapt their technique.

Computing

In computing we will be investigating [the weather](#) by taking online data and logging this using spreadsheets.

Art

Year 4 will be using lines, shape and colour to create some exciting 3D artworks in the style of contemporary installation artist [Daniel Buren](#). The children will learn about tessellation and repetition and how to use colour and lines to give the impression of an optical illusion!

Music

This term we will be listening to and learning the song '[Lean On Me](#)'. The children will identify different voices and instruments before rehearsing and performing.

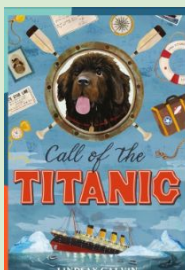

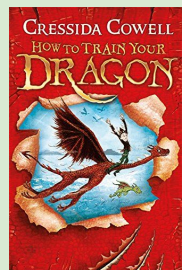

R.E. Day

This term during our R.E day, we will be learning about how people from religious and non-religious communities celebrate key festivals and comparing beliefs.

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Changing Me'. We will be discussing our characteristics and understanding the cycle of change. We will use our Zones of Regulation to help in regulating our feelings.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

Home Learning

Read for 20 mins each night - signed reading records earn rewards!

TTRS & Mathletics increase maths skills as well as earning certificates & rewards.
