

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 4 Learning Flyer - Term 4

This Learning Flyer shows what your child will be learning this term.

### English

In our English lessons the children will develop their skills of persuasion when writing a persuasive letter based on the fictional but powerful video, 'For the Birds'.

Later in the term we will celebrate World Book Day by using Voices in the Park by Anthony Browne to inspire our writing as we undertake our annual Whole School Reading & Writing Project.

### Maths

In maths, we will be learning about calculating perimeter and length of rectilinear shapes and polygons. Later in the term we will be adding, subtracting and converting fractions. We will also be recapping our 8 and 7 times tables.

**Help your child at home by encouraging TTRS for a few minutes, 4-5 times a week, as well as regular practise on Mathletics. Remember: TTRS DAY, Friday 15th March.**

### Science

In Science we are continuing to learn about plants, focusing on what plants need to survive and grow successfully. The children will continue to observe plants in the classroom and use this data to develop their skills in answering questions scientifically.

### Geography

In Geography, the children will continue their learning about North America. There will be a particular focus on rivers and waterfalls including how these are formed. We will finish with the children creating a brochure about one of the rivers or waterfalls we have learnt about.

### Design Technology

In DT this term the children will be exploring textiles. They will be learning about fastenings and stitching before designing and assembling a book jacket.

### Physical Education

In PE this term the children will be learning to play tennis, developing an understanding of the rules and skills required for the game. With Team Theme the children will be learning lacrosse, understanding basic tactics and patterns of play.

### Computing

In computing the children will be developing their programming skills by looking at how text and images are displayed on a webpage.

### Art

Year 4 will be studying form this term. They will be sketching 3D New York from different perspectives, with the added excitement of the view from a tightrope walker!

### Music

The children will be listening to 'Stop!' and identifying structure, instruments and voices within the piece. They will also be rehearsing for their **Parent Showcase, The Greatest Showman on 27th & 28th March.**

### R.E. Day

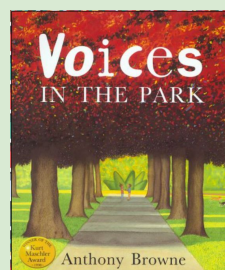

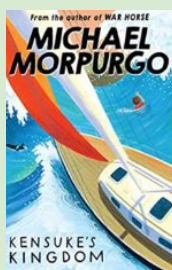

This term the children will be learning more about the religion of Islam. We will be discussing what we can learn from religions when considering what is right and wrong.

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Healthy Me'. We will be exploring friendships as well as developing an understanding of what is healthy for our body. We will use our Zones of Regulation to help in regulating our feelings.

### Books we will be reading this term:

### Value of the Term

## KINDNESS

**We congratulate and encourage each other.**

### Home Learning

**Read for 20 mins each night - signed reading records earn rewards!**

**TTRS & Mathletics increase maths skills as well as earning certificates & rewards.**
