

SOUTH BOROUGH PRIMARY SCHOOL

Year 3 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

We will be using Kit Wright's poem, [The Magic Box](#), to help us write our own poem using sophisticated language and a range of senses to describe what we would put in our own magic box.

Later in the term, we will be using our history topic, ancient Egypt, to help us create our own non-chronological reports.

There will be a greater focus on spelling this term, with a different spelling rule explained each week. Please ask your child to explain what they learning.

Maths

This term in maths we will be looking at multiplication using arrays, equal groupings and sharing. We will also be focusing on 2s, 3s, 4s, 5s, 8s and 10s for multiplication as well as division.

How can you help?

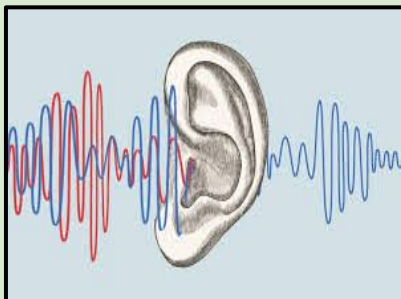

Our multiplication focus this term will be recapping 5 times tables as well as learning 3s and 4s. Please support your child with learning their multiplication and encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

This term, our science topic is 'sound'. The children will understand how sound is made, how it travels and how we can hear it in our ear.

How you can help?

Help your child understand what sound is by watching [this lesson](#).

History

In history, the children will be learning about ancient Egypt. They will begin to understand the importance of the river Nile, the civilisation's key beliefs and think about how archeologists use what has been left behind to help them understand this fascinating society.

Physical Education

With the sports coach, the children will be learning to construct and perform dance sequences. Class teachers will be developing skills, techniques and tactics based around football.

Geography

This term in geography we are focusing on settlements. We will learn different settlement types as well as why people settle in these places.

How can you help?

When out and about discuss land uses and settlement types.

Computing

This term, we will be using scratch to help us programme our own animation.

How you can help? Start exploring coding at home using [this site](#).

Art

This term year 3 will be learning about Sir Isaac Newton's colour wheel and how to use it. They will explore colour combinations and create some beautiful pieces of art with variety of media!

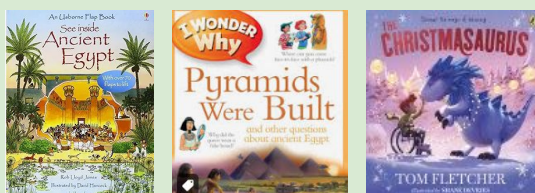

RE Day

For our RE day we will be thinking about how people from religious and non-religious communities celebrate key festivals.

Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, our topic will be celebrating differences. The children will discuss how differences and conflicts can sometimes happen and what witnesses can do to make a situation better or worse.

Books we will be reading this term:

Value of the Term

Respect

Remember to show expected behaviours in our community.
