

SOUTH BOROUGH PRIMARY SCHOOL

Year 4 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

English

In our English lessons the children will develop their note taking skills as they write a non chronological report on New York. Later in the term we will use our class novel, *The Boy Who Biked the World*, to inspire our writing of a recount.

We will continue our focus on handwriting, particularly when joining, as we also ensure our letters are a consistent size and are consistently spaced.

Maths

In maths, we will continue to work on our multiplication and division problem solving skills. Later in the term, we will be learning about perimeter and length before starting our fractions topic.

We will also be recapping our 6 and 4 times tables.

Help your child at home by encouraging TTRS for a few minutes, 4-5 times a week, as well as regular practise on Mathletics.

Science

In Science we are learning about plants. The children will investigate the functions of different parts of flowering plants and explore what plants require to survive and grow. We will gather and record data in a variety of ways and continue to develop our skills in answering questions scientifically.

Geography

In Geography, the children will be learning about the physical geography of North America. They will identify key countries, cities and landmarks and investigate the features of a large city. Whilst studying the key features of New York City, the children will develop their knowledge by comparing NYC with our local area.

Design Technology

In DT this term the children will be learning about pavilions. They will design and build a frame structure.

Physical Education

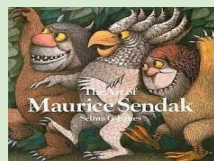

The children will be swimming as part of their PE lessons. They will develop their confidence in the water as they learn water safety, alongside developing the skills needed to swim competently. Children will also be learning gymnastics in PE lessons with Team Theme.

Computing

This term in computing the children will looking at creating media through website design, using Google Sites to plan and create a website.

Art

This term Year 4 will be learning about actual and visual texture. The children will be exploring the fantastic illustrations of Maurice Sendak and will design their own texture monster!

Spanish

This term the children will be learning the Spanish words for a variety of items they might find in the classroom. They will also learn to use the correct determiner.

R.E. Day

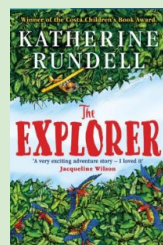

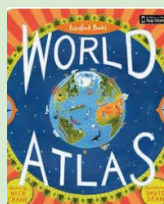

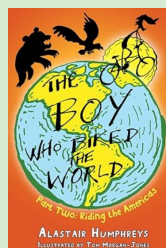

This term the children will learn about Hinduism during our R.E. Day.

We will use our discussion to explore Hindu beliefs and develop our learning of how Hindus show their faith.

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is 'Dreams and Goals'. We will be exploring our goals whilst understanding how to cope with disappointment. We will use our Zones of Regulation lessons to help in regulating our feelings.

Books we will be reading this term:

Value of the Term

DETERMINATION

We don't give up - we ask for help if we need it.

Home Learning

**Read for 20 mins each night - signed reading records earn rewards!
TTRS and Mathletics increase maths skills as well as earning certificates.**
