

SOUTH BOROUGH PRIMARY SCHOOL

Year 1 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

English

Here's a breakdown of what year 1 will be learning:

- **Question marks:** What is your name?
- **Exclamation marks:** Wow! That book was amazing!
- **Apostrophes:** They show that a contraction has been used, like can't instead of cannot. They can also show possession like, Sarah's dog.
- **Speech marks:** These quotation marks show what someone is saying directly. For example: The teacher said, "Open your books".

Science

In Science this term, Year 1 will be continuing our learning around **plants** and how they grow. This will also be linked to the topic of fruit and vegetables, where we shall be discussing healthy eating and where our food comes from. The children will be exploring a wider selection of plants, including: trees, flowers, and shrubs. This research will consider the importance of farmings and agriculture.

Walk and Talk - National Literacy Trust

Use these cards to help you talk to your child while you are out and about. This will help develop their speech and communication skills.

Maths

This term, Year 1 sets sail on a multiplication and division adventure! We'll start by counting in 2s, 10s, and 5s – think counting dried pasta or coins! Later, we'll explore fractions and set sail on the high seas of money recognition! Look out for more information about fractions and money soon.

How You Can Help:

Make counting fun with skip-counting games using everyday objects!

Sing or recite skip-counting rhymes together!

[Skip Counting By 2 Song](#) (click on the link)

Computing

Using the **Sketchpad** / text tool, we will design a rocket and write a title for their project e.g. 'My rocket'. Using the shapes tool, we will learn to drag and drop shapes to represent different materials needed to create our rockets. We will also write a list, a set of instructions and at the end of term, we will launch our rockets on the school field.

Music

This term we will be exploring a range of musical instruments and each week we will be linking them to the story '**Peter and the Wolf**'. This is a story where every character has its own sound, for example, a bird flying is the sound of a recorder. The children will be creating their own music to each character and then perform a **showcase** to Nursery and Year R.

R.E Day

This term during our R.E day, we will be learning about the religion '**Buddhism**'. It will take place on Thursday 23rd May.

History

For History this term, Year 1 will be learning all about **Mary Anning**, a fossil expert born in 1799. We will be learning all about dinosaurs and fossils and how Mary Anning became a super star in the science world for making an incredible discovery.

Art

Year 1 will be learning about the German Surrealist artist **Max Ernst**.

They will use objects they can find and take rubbings/frottage prints to create automatic artworks just like Ernst!

Physical Education

This term the children will be improving the motor skills by learning to play both hockey and a selection of different sports from the paralympics. Year 1 P.E days are remaining on a **Tuesdays** and **Thursday**. Please ensure that your child wears the correct P.E kit on those days and school uniform for the remainder of the week

Personal, Social, Health and Economic Education (PSHE)

Belonging: we will create a family tree.

Making friends: we will be role-playing being a good friend in different situations.

Physical Contact: we will discuss how some people like hugs/ high fives, while others might prefer a wave/smile.

Qualities as a friend: we will read about characters who show good qualities like kindness/ honesty.

Self-Acknowledgement: we will create 'a cup of compliments' writing down our accomplishments, skills and talents.

Being a good friend to myself: we will discuss taking care of ourselves physically and emotionally.

Books we will be reading this term

We will continue our daily learning of phonics.

Value of the Term

Determination

We aim to be the best we can be in everything we do.

Home Learning

Remember to keep logging on to **Mathletics** to practise maths.

Try to read every day and watch phonics videos on class Dojo, get your reading record signed daily to gain your reads!
