

SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - *Term 6*

This Learning Flyer shows what your child will be learning this term.

English

To begin the term, we will be reflecting on Year 5 and writing about our experiences. We will then be writing an explanation text about bees and pollination before writing a recount of sports day.

How can you help?

Rollama and Edshed are great resources to support spelling, punctuation and grammar. [Rollama](#) [Edshed](#)

Maths

In maths this term we will begin by looking at decimals where we will learn how to add, subtract, multiply and divide decimals. We will then move on to negative numbers before looking at converting units before finally looking at volume and capacity.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

In Science this term, we will be exploring the topic of Living Things and Their Habitats. We will be looking at the life cycles of animals and trees, looking at pollination and the parts of a flower.

[Have a look at this page for an overview.](#)

History

Our history learning for this term will be focusing on The Victorians. We will be looking at the life and reign of Queen Victoria and how the poor lived during the time.

How can you help?

[Have a look at this page for an overview of the The Victorian period.](#)

Physical Education

During outdoor PE sessions this term the children will be competing in athletics, this will include sprinting and relay racing. With the Sports coach they will be looking at Ultimate Frisbee and 4 Square.

Music

In Music this term we will be looking at English folk music. This will begin with Hopping Down in Kent then moving on to Scarborough Fair.

Computing

In computing, we will be building on our prior knowledge of the Mars Rover, understanding and creating pixel pictures. We will also start to tinker with CAD.

Art

Year 5 will be studying the artist Jason Panda, tessellation and pattern in art. The children will use the knowledge of the elements of art to complete some magnificent pieces of art to show their understanding of these elements.

Geography

In geography we will be learning about our local area. This will include looking at issues that affect our areas and also drawing sketch maps.

RE Day

For RE this term, we will be focussing on Judaism and we will be looking at the question 'What do religious and non-religious worldviews teach about caring for the Earth?'

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is Changing Me". We will be discussing our view of self, changes that happen during puberty for both boys and girls and what we are looking forward to in the coming year.

DT

On our DT day this term we will be creating honey cakes. This will link to our science topic through learning about pollination.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

We listen carefully to the views and opinions of others.
