

SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - *Term 5*

This Learning Flyer shows what your child will be learning this term.

English

To begin the term, we will be writing a persuasive letter linked to our class text 'Wonder', where children will write as August's mother requesting the school to be more inclusive. We will then move on to write a story from an alternative perspective.

How can you help?

Rollama and Edshed are great resources to support spelling, punctuation and grammar. [Rollama](#) [Edshed](#)

Maths

In maths this term we will begin by looking at statistics where we will draw and interpret line graphs. Then we will move on to shape where we will calculate lengths and angles of shapes. After that we will look at position and direction where we will be translating shapes. Finally, we will explore our second unit of decimals where we will add, subtract, divide and multiply using decimals.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

In Science this term, we will be exploring the human body. We will look into the lifecycle of humans and the growth stages that humans go through.

How can you help?

[Have a look at this page for an overview.](#)

History

Our history learning for this term will be focusing on the The Industrial Revolution. We will explore how life changed due to new inventions and the consequences these had.

Physical Education

During outdoor PE sessions this term the children will be learning to play games found in the Paralympics. This will include Boccia, seated volley ball and goal ball.. With our Team Theme coach, the children will be learning Tri- Golf.

Spanish

In Spanish we will be learning how to talk about clothes. We will learn new vocabulary and use these to construct grammatically correct phrases and sentences.

Computing

The children will be learning how to stay safe online as well as exploring microbit software to develop 3D designs.

Art

Year 5 will be learning about printmaking and creating lino style cut prints. They will be exploring the Norwegian artist Edvard Munch and his use of lines, colour and composition to help them create their own Munch style masterpieces.

Geography

In geography we will be learning about New Zealand and the South Pacific. We will discover the global location, physical and geographical features alongside the history of the islands.

RE Day

In RE we will be focussing on Humanism and Non-religious views and our key question, Why do some people believe God exists?

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is 'Relationships'. We will be discussing who we are, positive online relationships and our own relationship with devices.

Books we will be reading this term:

Value of the Term

Kindness

We use kind words and think before we speak.

We congratulate and encourage each other.
