

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - *Term 5*

This Learning Flyer shows what your child will be learning this term.

English

Firstly, we are writing a balanced argument based on one of William Shakespeare's play Macbeth, We will be exploring and writing arguments to the question: Is Lady Macbeth good or evil?. After this, we will be writing a journalistic report about the true story of the Three Little Pigs!

How can you help?

Log in to [Rollama](#) throughout the week to work on your grammar, punctuation and spelling.

Maths

This term we will be recapping our prior learning, consolidating our understanding of fractions, decimals and percentages as the pupils prepare for the SATs tests in May.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Log on to [Method Maths](#) and complete some activities.

Science

In science this term, we will be looking at the Human Body. In this topic, we will explore the functions of vital human organs and also look at the circulatory system, which will link to an explanation text that children will be writing in future English topics.

How can you help?

[Read all about the circulatory system here and prepare yourself for our topic!](#)

Design Technology

This term, we will be working collaboratively to make water walls! The pupils will design, build and review their models.

History

This term, our topic will be 'The Cold War' We will look at what the Cold War was as well as learning what happened during the Arms race.

Physical Education

With the sports coach, the children will be developing their skills and understanding of Trigolf. Our indoor sessions will be focussing on paralympic sports of: seated volleyball, boccia and goalball.

Computing

In computing we will continue to look at Big Data and how this is transferred! We will be exploring how to create a "smart school".

Art

This term year 6 will be exploring collagraph/printmaking techniques and will use a variety of materials to achieve texture and movement. The children will create their own beautiful sea/beach themed collagraphs inspired by the Scottish printmaker Fenella Ross.

Geography

Our topic this term is 'Africa'. We will locate Africa on a map and explore different ancient african empires. As well as this, we will look at major issues that are faced in Africa such as food security and desertification..

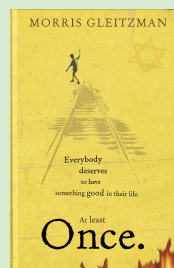

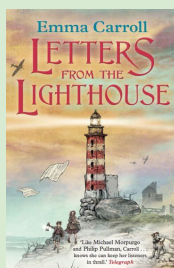

RE Day

In RE we will be focussing on Humanism and Non-religious views and our key question, Why do some people believe God exists?

Personal, Social, Health and Economic Education (PSHE)

Our jigsaw learning will focus on relationships. We will look at mental health, understanding there are different types of loss and how to manage these emotions. Towards the end of the term, we will focus on whether what we see online is helpful or safe.

Books we will be reading this term:

Value of the Term

Kindness

We use kind words and think before we speak.

We congratulate and encourage each other.
