

SOUTH BOROUGH PRIMARY SCHOOL

Year 2 Learning Flyer - *Term 5*

This Learning Flyer shows what your child will be learning this term.

English

This term we will be writing a description, an information text and a recount. The children will start by writing a description based upon our reading book 'Cloudy with a chance of meatballs'. We will be working on our reading stamina to enable us to read longer pieces of text.

How can you help? Please ask your children questions about what they have read during their home reading time..

Maths

In Maths, we are looking at counting money, comparing value and using different coins to make the same amount. We will also be reviewing the four operations and what methods we can use to solve number sentences. At the end of the term we will be looking at telling the time.

How can you help? Encourage your child to play numbots regularly. Show your child the time on an analogue clock regularly.

Science

We will then be looking at the topic of plants this term. The children will focus on the question, Prove that plants require water, light and a suitable temperature to grow. The children will get the chance to plant and look after their own seed and will look at how plants grow under different conditions.

How can you help? Show your children any plants or flowers that are growing and discuss how this is happening.

Geography.

This term we will be looking at Northern Europe with a focus on the question, What would a traveller see if they were to visit Northern Europe? We will look at Finland, Iceland, Norway, Sweden and Denmark and explore their human and physical features as well as their climate.

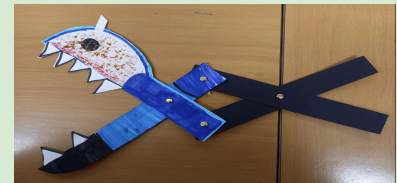

RE Day

Our religion this term is Humanism. Our key question is What makes some places sacred?

Computing

In computing this term, our focus will be on creating media looking at stop motion. We will explore what animation is and create our own stop motion animations with a range of effects.

DT This term, our learning in DT will allow the children to make a moving monster. We will explore levers and pivots to design and create our own moving monsters out of card.

Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, our topic will be relationships. The children will look at the relationships they share with their family and friends and will talk about what it means to be part of a family and trust others.

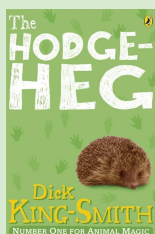

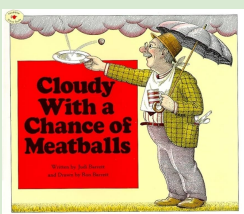

Art

Year 2 will be learning about printmaking this term. They will explore artworks by contemporary artist Cassie Stephens and use lines, shapes, colour and print reflection to create some cityscape masterpieces!

SATs - [Link for further info](#)

This term, children in Year 2 will be taking SATs. We will be referring to these in school as superhero missions to limit the pressure on the children. If your children mention these at home please also refer to them in this way.

Books we will be reading this term:

Physical Education

In P.E this term the children will be taking part in Paralympic sports and multi-skills. The children's PE days are **Wednesday and Thursday**. Please ensure that children wear their PE kit to school on these days.

Value of the Term

Kindness

We use kind words and think before we speak.

We congratulate and encourage each other.
