

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - *Term 6*

This Learning Flyer shows what your child will be learning this term.

English

Pupils will be writing a narrative dialogue based on a short video about a girl called Alma. They will be drawing on all of the skills learnt in previous terms to create a sense of mystery and horror! Following this, they will be writing an explanation text about the circulatory system, linked to our science learning.

How can you help?

Log in to [Rollama](#) throughout the week to work on your grammar, punctuation and spelling.

Maths

Pupils will be engaging in a variety of maths investigations and challenges as they put their knowledge and understanding to the test.

They will also look at "real world maths" such as salaries and tax.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Log on to [Method Maths](#) and complete some activities.

Science

In Science, the pupils will be studying the classification of living things. They will study vertebrates, invertebrates and bacteria, whilst also learning about the structure of cells in animals and plants.

How can you help?

[Learn how to classify animals and plants here!](#)

Design Technology

We will make water walls! The pupils will design, build and review their models.

Pupils will also be designing and making props for the Year 6 production.

History

In our history lessons we will continue to look at The Cold War. Once completed, we will research the history of human rights, including looking at different crimes and punishments throughout history!

Physical Education

With the sports coach, the children will be developing their skills in Ultimate Frisbee and Four Square! Pupils will also be completing a number of athletics activities, in the build up to Sports Day!

Computing

This term, they will be inventing a product to showcase their skills. They will design, code and debug programs as well as creating advertisements.

Art

This term year 6 will hone their knowledge of tessellation and pattern and create some amazing Escher style sketches. They will also model patterned paper sculptures and complete some fantastic artworks based on identifying and using the elements of art.

Geography

This term we will be studying Globalisation! The pupils will learn about how our world has developed over the years, focussing on the impact of politics and economy on the world we live in.

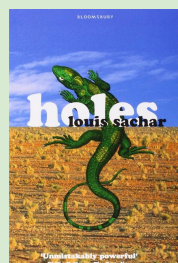

RE Day

In RE this term we will be focussing on Judaism and we will be looking at the question 'What do religious and non-religious worldviews teach about caring for the Earth?'

Personal, Social, Health and Economic Education (PSHE)

Our topic in our jigsaw learning is "Changing Me". We will look at being aware of our own self-image as well as how our bodies develop. As well as this, we will identify what we are looking forward to and what we are worried about in secondary school.

Books we will be reading this term:

Year 6 Production!

We will be performing School of Pop!

[Pupils can learn the songs here!](#)

Value of the Term

Respect

We celebrate people's differences.

We listen carefully to the views and opinions of others.
