SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

To begin the term, we will be writing a narrative based on the story of '*The Alchemist's Letter*'. Later in the term, we will write a non-chronological report about mountains, linking directly to our geography learning.

We will continue to develop our English skills through regular handwriting practice, revisiting key spellings and placing a renewed focus on grammar. **How can you help?** Spelling Shed is a fantastic resource to support your child's spelling, punctuation, and grammar.

Maths

At the start of this term, we will be recapping multiplication and division, recognising multiples of 10, 100 and 1000. Later in the term our learning will be focused on converting, adding and subtracting fractions. We will be building on knowledge learnt in year 4.

How can you help?
Encourage your child to play TTRS for a few minutes, 4-5 times a week.

Science

In Science this term, we will be learning about materials. We will be investigating how materials are selected for uses that suit their properties. Later in the term we will also look at mixtures and reversible and irreversible changes.
How can you help?
Look at this lesson about properties of material.

History

Our history learning for this term will be focusing on the Early British Empire. We will be learning about global trade as well as the Seven Years War.

How can you help?
Watch this BBC video for an overview of the British Empire.

Physical Education

This term, we will be playing hockey. We will focus on refining our dribbling and passing skills to build effective attacks and create shooting opportunities. We will also explore what makes a successful team, with a strong emphasis on collaboration. Pupils will learn how working together as a team enables them to overcome opponents.

Computing

This term, we will be exploring robotics using our Ohbots. We will begin by learning about the Ohbot's hardware and humanoid movements, before moving on to programming the Ohbot using complex sequences and variables.

Art

This term year 5 will be deepening their understanding of colour theory with more complex colour combinations, they will apply their knowledge to their artwork and study the polychromatic works of Pablo Picasso and Henri Matisse!

Geography

In geography we will be learning about mountains. We will be learning about mountain ranges from across the world and how they are formed with a focus on North and South America. **How can you help?** Watch this Mountain episode of Planet Earth.

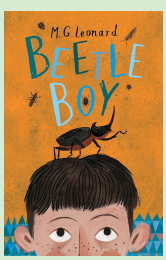

RE

This term we be looking at Christianity through History from how Christianity spread and the impact of the scientific revolution on Christianity.

Personal, Social, Health and Economic Education (PSHE)

This term, we will be exploring relationships. We will look at the actions of someone in a caring family relationship as well as managing positive relationships.

Books we will be reading this term:
