

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - *Term 1*

This Learning Flyer shows what your child will be learning this term.

English

We will be creating a narrative based on a short film called "Impasse". Pupils will retell the story of the lone man wandering through the desert, capturing his emotions and intriguing back story. Then, the children will be writing a persuasive letter to Secretary of State for Defence, Mr Streeting, to request that Walter Tull is awarded The Military Cross.

How can you help?

Log on to [EdShed](#) to support spelling.

Maths

Our maths lessons this term will begin with looking at number and place value to and including 10,000,000. Following this, we will focus on the four operations, where we will introduce new concepts, such as long division.

How can you help?

Use the video guides below and try some questions at home!

[Long Multiplication - Click Here](#)

Science

This term we will be focussing on Evolution. We will explore fossils and how they help us understand evolution. We will also research Key Figures in relation to evolution such as Charles Darwin.

History

This term, pupils will be exploring World War 1. We will begin the topic looking at the causes of the war, the importance of alliances and research the key historical figures.

Geography

In geography, we will be learning about spatial sense. We will look at longitude, latitude as well as using maps to help us understand our environment,

Music

This term's music will focus on voice and body percussion. We will study how to make music using our bodies and create a performance!

RE

RE this term will focus on love, forgiveness, reconciliation and redemption in a range of religions.

Computing

This term we will explore the ethical implications of digital technologies, including energy consumption, e-waste, artificial intelligence, and human-robot interaction.

Art

This term Year 6 will be defining their drawing skills using their knowledge of lines, shape, form, tonal value, space and perspective. They will develop their use of orthogonal lines to help them sketch 2 point perspective cityscapes. Year 6 will be studying the fantastic artist Stephen Wiltshire.

Design

Technology

We will make water walls! The pupils will design, build and review their models.

Physical Education

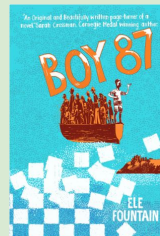

This term, the pupils will be doing Football. The children will also be developing their skills and understanding of striking a ball accurately in golf! Pupils will have to think tactically as they move through the course to complete the holes in as few shots as possible.

Our PE days are - Thursday and Fridays.

Personal, Social, Health and Economic Education (PSHE)

Our first term will be based around resilience. We will look at different strategies to face challenges, and explore the role of emotions in our lives. As well as this, we will explore how making mistakes are an opportunity for learning.

Books we will be reading this term:

British Values

Democracy

Rule of Law

Freedom

Mutual Respect

Tolerance
