

SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

English

To begin the term, we will be reflecting on Year 5 and writing about our experiences. Then we will be writing a narrative and an instructional text.

How can you help?

Edshed are great resources to support spelling, punctuation and grammar. [Edshed](#)

Maths

In maths this term we will begin a unit of learning about shape including angles and measurement. We will then follow this with a related topic of position and direction, looking at coordinates on a grid. During this term we will also be continuing our regular arithmetic and time table practice.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

In science this term we will be looking at the human body and how it changes over time. We will compare this with the growth of different animals and how they can differ. We will also be looking at how lifestyle and choices can impact our bodies and how to live well.

History

Our history learning for this term will be focusing on The Victorians. We will be looking at the life and reign of Queen Victoria and how the poor lived during the time.

How can you help?

[Have a look at this page for an overview of the The Victorian period.](#)

Physical Education

This term's PE will be looking at TriGolf. With the coaches coaches, the children will be refining their ultimate frisbee and four square skills.

Music

In Music this term we will be looking at English folk music. This will begin with Hopping Down in Kent then moving on to Scarborough Fair.

Computing

This term in computing, we will be learning about IT Media. We will be filming and editing videos, showcasing a range of filming techniques.

Art

Year 5 will be studying the artist Jason Panda, tessellation and pattern in art. The children will use the knowledge of the elements of art to complete some magnificent pieces of art to show their understanding of these elements.

Geography

In geography we will be learning about our local area. This will include looking at issues that affect our areas and also drawing sketch maps.

RE

For RE this term, we will be looking at humanism. We will learn about Humanist Weddings, naming ceremonies and views on behaviour.

Personal, Social, Health and Economic Education (PSHE)

This term in PSHE we will be looking at the 'Wider World', focusing on topics such as caring for the community, work, money and change.

DT

This term for our DT day we will be making bags, focusing on our sewing and embroidery skills.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

We listen carefully to the views and opinions of others.
