SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

Our first text will be a thrilling description about a ghostly shadow, where the children will work on building suspense. Then, we will be creating an explanation text based on outer space.

Following this we will be writing a description based on the short animation **Roads End** - click here to watch.

How can you help?

Spelling Shed is a great resources to support spelling, punctuation and grammar.

Maths

In Maths, we will begin our unit of fractions. We will look at comparing and ordering fractions as well as how to add and subtract fractions that have different denominators. Once we have completed this, we will look at how to multiply and divide fractions. We will continue with our pure problem-solving lessons

How can you help?

Encourage your child to play TTRS for a few minutes, 4-5 times a week.

Science

Our topic is classification of living things. We will be studying how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals.

History

This term, our topic will be The Suffragettes. Throughout this, we will be looking about British Democracy in the 19th Century, the Anti-Suffrage Campaign and the National Union of Women's Suffrage Society. As well as this, we will conduct a study on Emmeline Pankhurst.

Design Technology

In DT this term, pupils will be focussing on their enterprise activities. They will be making, designing and creating a variety of themed objects in preparation for the end of term events.

Physical Education

This term, our PE sessions will take place on Wednesdays for swimming (Google Form) and Thursdays will be Dance, where we will explore the concepts of Prejudice and Discrimination through movement.

Computing

Our robotics topic this term focuses on physical coding, where children will use Ohbots to bring their programs to life.

Art

This term year 6 will be studying advanced colour theory combinations. They will use a variety of painting skills and various media to create some fantastic, vibrant artwork inspired by the Pop Art movement and the abstract artist Bulsby Duncan.

Geography

This terms Geography learning will focus on British Geographical Issues. By the end of the unit, the children will be able to explain some of the environmental challenges that we face in Britain.

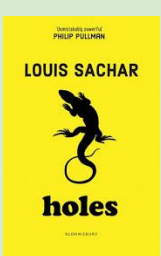

RE

In RE, we will be looking at equality and inequality and how this is reflected in a variety of religions. We will also study who Gandhi was and how he fought inequality.

Personal, Social, Health and Economic Education (PSHE)

We will be focussing on relationships. In particular, pupils will learn about online relationships, bullying, stereotypes and violence - exploring the impact of these and how to support one another.

Books we will be reading this term:

Value of the Term in line with **British Values**
