# SOUTH BOROUGH PRIMARY SCHOOL

# Year 1 Learning Flyer - Term 2

**This Learning Flyer shows what your child will be learning this term.**

**English** This term, Year 1 will be focusing on adjectives (describing words), conjunctions e.g. (and, because, so), time adverbials e.g. (first, then, next, after that, finally) and imperative verbs (bossy words e.g. (put, cut, stick, stir, mix). In Phonics, we will continue to practise, write and learn digraphs and trigraphs (special friends). We will use 'Fred talk' and 'Fred fingers' when reading, writing and spelling.

**How can you help?**

Clicking here to practise the phrases for handwriting.

**Maths** This term, Year 1 will continue to learn about the numbers to 10. We will start to add and subtract within 10, and will use part whole models to create fact families using related number facts. Towards the end of term, the children will explore shape and will work on identifying both 2D and 3D shapes.

**How can you help?**

Encourage your child to use 'Numbots' or practise simple addition and subtraction calculations using objects in your home.

**Science** In Science this term, Year 1 will be learning about animals. We will discuss how animals can be grouped by looking at shared characteristics and then will look at pets and their needs.

**How can you help?** Encourage your child to describe animals that they see and discuss their characteristics and needs. Ask your child if animals that they are interested in are mammals, birds, fish, reptiles, insects or amphibians.

**History**

In History this term, the children will be exploring what history is and what historians do. We will be talking about what we mean by the past and why it is important to learn about it. The children will create their own family trees and will also explore how the local area has changed over time.

**How can you help?**

Talk to your child about what life was like during your childhood and how it was different to their own childhood.

**Design Technology**

In DT this term, we will be making mince pies. The children will learn about how some foods can be eaten raw whilst others need to be cooked and will have a go at making their own pastry.

**How can you help?** Share information with the children about the foods that they eat at home and how they are cooked.

**Music**

In Music this term, we will be looking at Samba. The children will have a go at creating their own samba rhythms and will listen to the music 'Fanfarra', focusing on how the music is split up into different sections.

**Physical Education**

During P.E, the children will be covering ball skills this term. We will be controlling the ball by throwing and catching. The children will also be taking part in lessons on dance, the theme of which will be 'Heroes'.

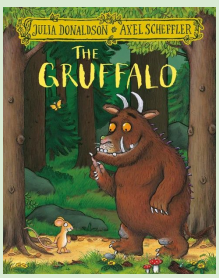

**Personal, Social, Health and Economic Education (PSHE)**

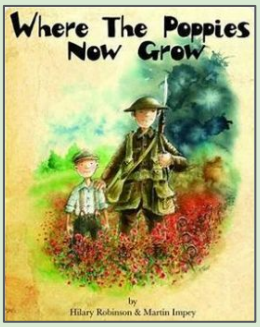

In PSHE, we will be focusing on relationships. We will be looking at who cares about us and how to collaborate with others as well as what bullying is and how to combat it.

**How can you help?**

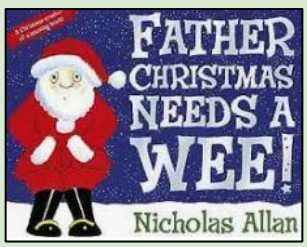

Encourage your child to discuss how they are feeling and who their friends are.

**Books we will be reading this term:**

We will be looking at this iconic Christmas advertisement; 'Jim & Otto' WW1-1914 and the important message about caring and sharing.

**R.E**

R.E this term will focus on the religion of Christianity. The children will look at why Jesus is important to Christians and how Christians celebrate his life.

**Art**

Year 1 will be learning about the artist Marc Chagall, they will be exploring colour combinations and learn how to mix their own to create some magical Chagall style scenes.

**Value of the Term** in line with **British Values**

**Home Learning**

**Read with your child and practise phonics everyday: Then sign your child's reading records to gain reading points!**
