

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 5 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

### English

To begin the term, we will be writing a persuasive letter linked to our class text 'Wonder', where children will write as August's mother requesting the school to be more inclusive. We will then move on to write a story from an alternative perspective.

#### **How can you help?**

Rollama and Edshed are great resources to support spelling, punctuation and grammar. [Rollama Edshed](#)

### Maths

In maths this term we will begin by diving deeper in decimals. This Term we will learn about the effective ways to add and subtract decimals and use this to solve multi-step word problems. We will also learn about multiplying and dividing decimals by multiples of 10. After this we will move to shape and geometry. We will also be continuing to focus on arithmetic and building skills in this area.

#### **How can you help?**

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

### Science

In Science this term, we will be exploring the complex topic of astronomy. We will look at the history of this science and how discoveries were made. We will also learn more about how we understand the solar system.

#### **How can you help?**

[Have a look at this article on gravity.](#)

### History

Our history learning for this term will be focusing on the The Industrial Revolution. We will explore how life changed due to new inventions and the consequences these had.

#### **How can you help?**

### Physical Education

During outdoor PE sessions this term the children will be learning to play games found in the Paralympics. This will include Boccia, seated volley ball and goal ball.. With our Team Theme coach, the children will be learning Tri- Golf. We will also be preparing for Sports Day!

### Spanish

In Spanish we will be learning how to talk about clothes. We will learn new vocabulary and use these to construct grammatically correct phrases and sentences.

### Computing

The children will be learning how to stay safe online as well as exploring microbit software to develop 3D designs.

### Art

Year 5 will be learning about printmaking and creating lino style cut prints. They will be exploring the Norwegian artist Edvard Munch and his use of lines, colour and composition to help them create their own Munch style masterpieces.

### Geography

In geography we will be learning about New Zealand and the South Pacific. We will discover the global location, physical and geographical features alongside the history of the islands.

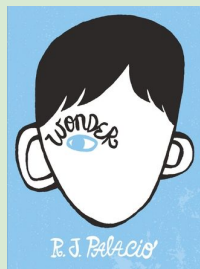

### RE

In Term 5 we will be looking at "words of wisdom" across all major world religions. We will discuss how different communities use wisdom to guide their choices and worship together.

### Personal, Social, Health and Economic Education (PSHE)

This term we will be looking at the concept of friendships. We will be discussing the importance of quality friendships and how to handle challenges like conflict when they arise.

### Books we will be reading this term:

### Value of the Term

## Determination

**We don't give up - we ask for help if we need it.**

**We aim to be the best we can be in everything we do.**
