

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 3 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

### English

This term, our writing will continue to be inspired by the beast Grendel as we write our own version of the Norse legend *Beowulf*. Later in the term, we will be writing a recount of our trip to Canterbury using first person and a range of sentence starters.

We will continue to focus on spelling skills, understanding how different letter combinations can represent the same sounds.

### Maths

This term in maths, we will be learning about measurements in mass and capacity. We will be looking at equivalent measurements, taking accurate measurements as well as adding and subtracting different measurements. We will also continue to look at fractions. The children will learn how to add and subtract fractions, partitioning the whole and understanding how to find fractions of amounts.

**How can you help?** Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

### Science

This term we are looking at Plants. We will be looking at what is needed for growth, the transportation of water within plants and what a flowering plant is. We will then look at pollination and seed dispersal as we explore how plants reproduce.

#### **How can you help?**

When outside, spend time looking closely at different plants.

### History

Over the term, we will be understanding the relationship between the monarchy, church and the people during the Middle Ages. We will begin to understand some of the changes that took place during this period such as Henry II's legal reforms and the sealing of the Magna Carta.

#### **How can you help?**

Find out about the Magna Carta [this lesson](#).

### Physical Education

This term children will be developing skills, knowledge and tactics based on different sports as well as teamwork and leadership. Coaches are teaching Tri-Golf while class teachers are delivering Paralympic sports including Boccia, seated volleyball and Goalball.

### Geography

In geography we will be focusing on Rivers. We will be understanding what a river is. We will look at important rivers around the world and their significance to locals.

**How can you help?** Take a walk along the River Medway and discuss joining streams/ rivers and different uses you see.

### Computing

We will be learning about online safety and how to recognise risks when online. We will continue to use our fabulous new computing suite to explore ways to keep ourselves safe in a digital world.

### Art

This term year 3 will be learning about printmaking. They will be making multiple prints in the style of the American Pop artist Andy Warhol, they will use their knowledge of colour theory and repeat prints to recreate Warhol style masterpieces!

### DT

Our focus this term is to understand where food comes from and then using their learning to help create a seasonal food tart.

#### **How can you help?**

Involve your child in cooking at home so they can gain confidence in using knives and peelers when preparing food.

### Spanish

In our Spanish learning, the focus will be on seasons. The children will recall and remember the 4 seasons in Spanish and learn a short phrase.

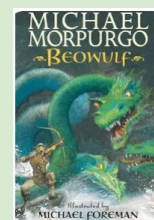

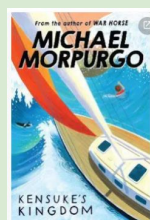

### Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, we will be discussing about friendships and conflict within friendship groups. We will also think about when we need to tell a trusted adult about something.

### RE

The children will explore the religious diversity within our community in order to foster respectful understanding, a sense of belonging and recognition of shared values across faiths.

### Books we will be reading this term:

### Value of the Term

## Determination

**We don't give up - we ask for help if we need it.**

**We aim to be the best we can be in everything we do.**
