

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - *Term 3*

This Learning Flyer shows what your child will be learning this term.

English

This term we will be producing a short narrative based upon the short animation Francis. Following this, the pupils will study the Tale of The Three Brothers from Harry Potter. Using this, they will write a recount from the perspective of death, alongside a diary entry from one of the brothers themselves!

How can you help?

- Practise diary writing skills and keep a journal this term!
- Pupils can familiarise themselves with the [Tale of the Three Brothers here](#).

Maths

We will begin this term by recapping the four operations, including fractions. After this, we will explore decimal numbers as well as their relationships with fractions and percentages. After this, we will look at algebra and ratio.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, Children can test their arithmetic skills on [Method Maths](#).

Science

In Science this term, we will then be exploring electricity. Children will design and construct circuits for a range of purposes, whilst studying the effect of voltage and other components on their circuit.

How can you help?

[Have a look here with your child for some more information on electricity](#)

Design Technology

This term, we will be looking at an essential life skill - cooking! We will be preparing and creating a meal following a selection of recipes!

History

This term, our topic will be 'The Rise and Fall of Hitler'. We will explore the Armistice and the Treaty of Versailles as well as what life was like in Nazi Germany.

Physical Education

Our outdoor PE session will be based on Netball / Basketball. The children will be developing their team-work skills. With our Team Theme coach, the children will be learning gymnastics.

Computing

The pupils will be focussing on coding and creating repetitive codes and loops. They will be exploring a range of different systems for coding, including Trinket and [Turtle Academy](#).

Using these platforms, they will solve a range of challenges and create a variety of diagrams.

Art

This term Y6 will be using a variety of media to define their use of actual and visual texture in their work. They will be studying the contemporary artist Stephanie Peters and her impasto painting style to create their own nature inspired masterpieces!

Geography

This term's Geography learning will be based on the topic North America. We will explore different cities, rivers and the climate in this continent before comparing it to the UK!

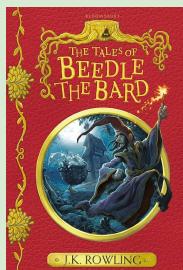

RE

We will be completing our learning on equality before moving on to authority and the rule of law. Children will study a range of religions including Christianity, Islam and Hinduism.

Personal, Social, Health and Economic Education (PSHE)

Our PSHE learning this term will focus on well-being. Pupils will explore ways to overcome negative thoughts and explore the feeling of gratitude, whilst continuing to journal throughout the term and develop their emotional resilience.

Books we will be reading this term:

Value of the Term

Respect

Respect ourselves, others, and our school
