SOUTH BOROUGH PRIMARY SCHOOL

Year 2 Learning Flyer - Term 2

This Learning Flyer shows what your child will be learning this term.

English

The children will be writing an information text about all about habitats, using our understanding from reading lessons to help us. Later in the term, we will link to our DT day as we write a recount on making gingerbread. Using our science knowledge we will write a poem about deforestation. Finally, to get into the festive spirit, we'll be writing instructions on how to build a snowman.

How can you help? Practice forming letters correctly as well as writing full sentences.

Maths

We will be continuing our learning about addition and subtraction this term, starting by focusing on number bonds. We will then look at adding and subtracting with and without exchanging. After this, will be looking at recognising coins and notes and how to use different coins to make the same amount.

How can you help? Encourage your child to play Numbots 4-5 times a week.

Science

This term, we will be exploring 'Living Things in Their Environments'. The children will investigate different habitats (including rainforest and desert habitats). They will identify the creatures and plants that belong together and see how they are designed for their specific environment.

How can you help? Discuss the habitats in our local area and what living things might be found there. Living things and their habitats activities.

History

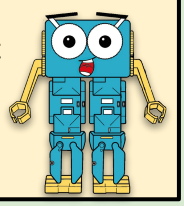

This term, we will be learning about Romans. We will focus on the Roman invasion of Britain and will explore what made their army so successful as well as how they changed Britain when they invaded.

RE

This term, the children will explore the life and teachings of Jesus from a Christian viewpoint. We will be studying the key stories and accounts of his life.

Computing

In computing, Year 2 will be learning about coding this term. They will be creating a program to control a robot. Children will be creating tasks for the robot, while debugging any errors in the coding to ensure Marty the Robot follows all tasks he is programmed to carry out.

Personal, Social, Health and Economic Education (PSHE)

This term in PSHE, we're exploring Relationships. The children will understand family and caring roles, practice safe online interactions, and develop strong teamwork skills through collaboration. **How can you help?** Talk to your child about who is in your family, what you like to do as a family and your favourite things about your family.

Music

This term, the children learn about 'beat' music. 'Beat music' is known for having a strong beat on each beat. We will be studying music by the rock/pop group the Beatles are known for 'beat music'.

How can you help? Listen to Yellow Submarine together, can they recognise the beat? Discuss what you like/dislike about the song.

Art

Year 2 will be learning about colour this term, they will mix colours and create tone, tints and shades. The children will be learning about the artist Piet Mondrian and will create some of their own masterpieces!

Design Technology

During this term's DT day, the children will be cooking and decorating gingerbread men. They will explore the use of spices whilst following a simple recipe.

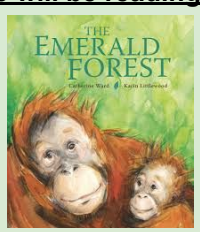

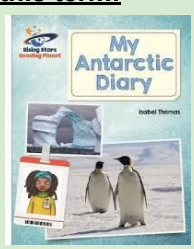

Physical Education

Our PE day this term will be on a ----. We will be looking at our ball skills and exploring how we can pass and stop the ball effectively

Books we will be reading this term:

Value of the Term in line with British Values
