

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 1 Learning Flyer - Term 4

This Learning Flyer shows what your child will be learning this term

**English** In English this term, Year 1 will be continuing to practise writing simple sentences that use capital letters, full stops, finger spaces and Fred talking. The children will start the term by writing their own story and we will then move on to looking at other text types such as writing a set of instructions, a recount, and continue to work on their phonics sound knowledge.

**How can you help?** Read with your child for 10 minutes every day. Encourage your child to write simple sentences about what they have done at home.

### Maths

This term in Maths, we're focusing on numbers up to 50. We'll practice counting forwards and backwards, and explore multiples of 10. Students will learn to group objects into tens and ones for efficient counting and reinforcing place value. They will also partition two-digit numbers up to 50, use number lines to count and estimate, and find one more and one less than any number within 50.

How to help: Use objects to create groups of 10 (e.g., 10 blocks in a tower).

### Science

This term, we focus on Sustainability and Earth Care, understanding our footprint. We want children to realise Earth's resources are not infinite. We will explore:

- **Natural Resources:** Identifying items from nature (water, wood, sunlight, minerals) versus human-made goods.
- **Human Impact:** Discussing how daily choices (waste, water use) affect the planet.
- **The Three R's:** Deep diving into Reducing, Reusing, and Recycling as essential for saving the Earth.

### Physical Education

During P.E we will be focusing on two topics, **tennis** and **netball** (outdoors). This will help the children to improve their gross motor skills, coordination, balance and teamwork.

**P.E for Year 1 will take place every Tuesday (double lesson) this term.**

### History

In History this term, the children will be learning about Kings, Queens and Leaders. The children will learn about some of the past monarchs of the United Kingdom. They will discuss the role of a king or queen as well as the role of parliament within the country. The children will also learn about what the Magna Carta is and why it is important.

### Personal, Social, Health and Economic Education (PSHE)

#### 'Healthy Me'

This term in Year 1 PSHE, the children will learn about staying healthy. We will talk about getting enough sleep, eating healthily and the importance of exercise. Later in the term the children will discuss safety including internet safety.

#### How you can support at home:

Discuss with your child how they can stay healthy including looking at the food they are eating as part of their meals and the exercise they take part in.

### Design Technology (D.T)

In DT this term we will be making hand puppets (out of socks) and experimenting with different ways to **join materials**.

### R.E Day

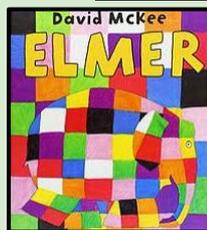

This term's R.E. will focus on **Easter and Lent**.

The children will learn about the Easter story and will look at the symbols used around Easter.

### Art

Year 1 will be learning about form and their environment. They will study the ceramicist **Lorien Stern** and make some fabulous sharks! The children will design their models, use clay and learn the pinch pot method.

### Books we will be reading this term:

[Elmer - David McKee](#)

[The Invisible - Tom Percival](#)

We will continue our daily learning of phonics.

### Value of the Term

#### Kindness

Our kindness goal this term is simple: Notice more. We're empowering children to identify and celebrate the people in our community who quietly go above and beyond.

**Home Learning - Click on the links and practise the following phonic sounds with your child; [air](#), [ure](#), [ear](#), [ire](#), [are](#)**

Read with your child everyday: Then sign your child's reading record to gain reading points!
