

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - Term 4

This Learning Flyer shows what your child will be learning this term.

English

Firstly, we will be producing a persuasive letter based on the story of The Invisible, whilst also focussing on sparking change and uplifting the community. Following this, the pupils will write a narrative about a World War 2 soldier who loses his comrade during battle.

How can you help?

Log in to [Spelling Shed](#) throughout the week.

Maths

We will begin this term by recapping the four operations, including fractions. After this, we will spend some time looking at ratio and algebra before moving onto area, perimeter and volume.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Log on to [Method Maths](#) and complete some activities.

Science

In Science this term, we are continuing with the topic Materials: Changes of state. We are going to look at how mixtures are separated, reversible and irreversible changes and interpreting the data to answer questions.

How can you help?

[Watch this BBC video about properties and changing materials!](#)

Design Technology

This term, we are looking at the topic 'Build: Electrical Toys'. During this, children will select appropriate tools and materials whilst also studying how to safely connect components.

History

This term, our topic will be World War II. We will explore when and where WW2 took place. We will also explore what happened during the Battle of Britain and the Blitz.

Physical Education

Our outdoor PE session will be based on Hockey. With our Team Theme coaches, the children will be developing their tennis skills!

Music

Pupils will explore the topic Minimalism and Soundscapes. At the end of the term, they will compose a piece of music using repeated rhythms.

Art

This term year 6 will be developing their knowledge of form and will study the architectural artist Friedensreich Hundertwasser. They will use their understanding of biomorphic and geometric form to cultivate their ability in high relief sculpture to create some malleable masterpieces!

Geography

Our learning will help us build knowledge to describe the human and physical geographical features of South America. Pupils will also study the wonder of the Inca empire.

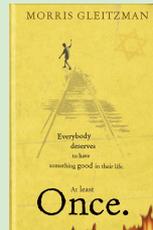

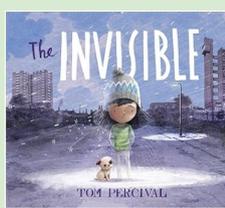

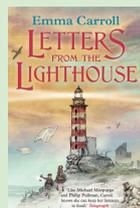

RE

We will continue learning about Freedom, Authority and Law before moving onto Justice and Judgement. The pupils will learn about the Royal Courts of Justice.

Personal, Social, Health and Economic Education (PSHE)

Our topic in PSHE this term is Health Education. Through this, we will look at the importance of sleep and a healthy diet. As well as this, we will look at managing the dangers of social media and the benefits of a healthy lifestyle.

Books we will be reading this term:

Value of the Term

Kindness

Our kindness goal this term is simple: Notice more. We're empowering children to identify and celebrate the people in our community who quietly go above and beyond.
