

SOUTH BOROUGH PRIMARY SCHOOL

Year 4 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

English

The children will be developing their use of figurative language as they write a descriptive piece about a monkey and his journey home from space [Watch Here](#). Later in the term they will write a persuasive speech encouraging people to show kindness, based on the video [Birds on a Wire](#)

How can you help?

[Spelling Shed](#) is a great resources to support spelling, punctuation and grammar.

Maths

The main focus for this term will be continued multiplication and division. We will be looking at multiplying and dividing by 10 and 100, factors and multiplying 1 digit numbers by 2 digit/3 digit numbers.

We will also be focussing on length and perimeter of rectangles, rectilinear shapes and polygons. Alongside this, we will be preparing for the MTC towards the end of the term.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

This term and next term, our science topic is *Living Things and their Habitats*. The children will understand what makes something living, understand how living things can be categorised and explore micro habitats.

How you can help?

Help your child understand the characteristics of living things by watching [this lesson](#).

History

In History, the children will be learning about life in Ancient Rome. After exploring its location, we will learn more about the Roman Empire. The children will study Roman governments as well as exploring daily life for the residents of the city. We will explore the events of Pompeii as well as the Roman legacy of Latin.

Music

This term, students will be learning about Beethoven and his famous "fate" motif from his 5th symphony. They will be learning to play the glockenspiel and concentrating on playing and experimenting on one of the most famous motifs of all time.

Physical Education - Mon and Wed

In gymnastics, students will develop fundamental movement skills such as balancing, rolling, jumping, and landing safely, while also exploring different ways of moving and creating sequences. In basketball and netball they will learn passing, shooting and team work.

Computing

In computing, the children will be learning about website design through Google sites. They will do this collaboratively with their peers to create both a functional and attractive website.

Art

This term Year 4 will be learning about actual and visual texture. They will explore the wonderful world of author Maurice Sendak and design and draw their own 'Wild Thing' monster.

Geography

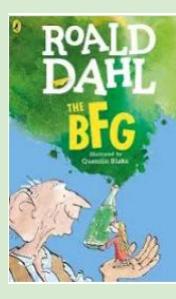

We will be studying and learning about Eastern Europe. **How can you help?** Look at Google maps - What is the longest river and tallest mountain in Eastern Europe? What about marshes/marsh land?

R.E.

We will be learning about Sikhism, the history of this Dharmic religion and sacred texts within the religion.

Personal, Social, Health and Economic Education (PSHE)

We will be exploring the area of well-being. This will include learning about how we express ourselves, considering our values and showing gratitude. Later in the term we will discuss challenges and consider our school community as we create a Circle of Kindness.

Value of the Term

Respect

Respect ourselves, others and our school
