

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 4 Learning Flyer - Term 5

This Learning Flyer shows what your child will be learning this term.

### English

This term we will begin by combining our learning in Geography to write a non-chronological report about London. The children will use research whilst incorporating a specific structure to showcase their learning. Later in the term we will write an explanation text on The Water Cycle, which we will be learning more about in Science.

#### How can you help?

[Spelling Shed](#) is a great resource to support spelling, punctuation & grammar.

### Maths

We will be beginning our unit on decimals and understanding how this interacts with placevalue.

Then we will be looking at units of time and converting between 24/12 hour clocks.

We will then proceed onto our shape unit where the children will be exploring polygons and lines of symmetry.

#### How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

### Science

This term, our science topic will be States of Matter, with a focus on the Water Cycle. We will look at, condensation, precipitation and evaporation. As well as this, we will carry out various investigations exploring the three states of matter; solid, liquid and gas.

#### How you can help?

[Have a look at this overview of States of Matter and the Water Cycle](#)

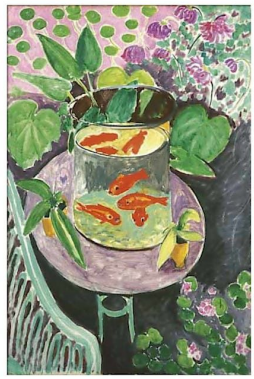

### History

In History, the children will be learning about The Stuarts. We will begin the term discovering that James VI of Scotland became James I of England after Queen Elizabeth I's death and explore his belief in the 'Divine Right of Kings'. Later in the term we will learn about The Gunpowder Plot, Oliver Cromwell and how Charles I's decision led to Civil War.

### Physical Education - Mondays and Thursdays

This term in PE, your child will be developing their throwing and strategic thinking skills through engaging games of frisbee golf. They will also enhance their agility, strategic thinking and ball skills in rounds of 4-square.

### Geography

We will be learning about London and the South East focusing on the reasons for the Romans establishing London as a trading post as well as other notable cities and regions of the South East e.g Brighton, Canterbury and Dover. We will look at how time has changed these places and how their purposes have pivoted over time.

### Computing

This term, we are learning about Online Safety. Specifically, we will be understanding PEGI ratings (gaming age ratings), our influence on the world through our digital footprint, protecting our data online and understanding copyright when posting online.

Importantly, we will be looking at what we can do when we have an online worry both in school and outside of school.

### Art

This term year 4 will be learning about printmaking. The children will make their own stamps and blocks with a variety of materials and use them to create some beautiful Fauvist style printworks in the style of contemporary American artist Karen Lederer.

### Personal, Social, Health and Economic Education (PSHE)

In PSHE we will be looking at Friendships and about understanding boundaries, what to do when friends show unexpected behaviour, honesty and managing conflicts within a friendship group.

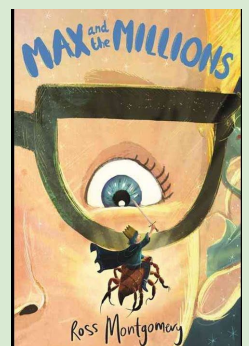

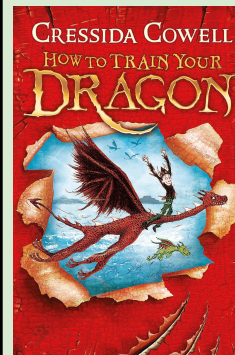

### Value of the Term

#### Determination

**We don't give up - we ask for help if we need it.**

**We aim to be the best we can be in everything we do.**

### Books we are reading this term

### Home Learning - [Click here](#)

Read for 20 mins each night - signed reading records earn rewards!

TTRS increase maths skills as well as earning certificates & rewards.
