A Learning Ladder for Life

14th June 2024

Dear Parent/Carers,

## **Animal Workshop**

As part of our 'Animals: growing and changing' topic this term, we have the fantastic opportunity to take part in an animal workshop. This will take place at school and will include the following:

Tuesday 16th July 2024	<b>Animal workshop</b>
---------------------------	------------------------

We'll be hosting an interactive **Animal Workshop**, filled with engaging activities that will spark your child's curiosity and love of learning. Children will get the opportunity to meet animal experts who will run interactive games and activities to help the children explore animal adaptations, diets, and life cycles. Our experts will also bring along some animals for the children to meet, and have a chance to get hands on when learning about different species, habitats and behaviours.

In order for your child to take part in the workshops please fill out the Google form [here](#)

**A voluntary payment of £7.50 is requested, to meet the cost of our workshop.**

Please make your payment on Parent Pay. If not enough contributions are made, regrettably we may have to cancel the workshops. Thank you for your understanding and continued support.

Yours sincerely,

Miss Monticelli  
EYFS Class teacher
