A Learning Ladder for Life

7th March 2024

Dear Parents/Carers

Personal Devices - Smart Watches

As you know, at South Borough we are committed to Safeguarding all members of our school community. I would like to draw your attention to the following points in our Online Safety Policy:

- This (Online Safety) Policy applies to all access to the internet and use of technology, including personal devices such as smart watches.
- South Borough Primary School expects learners' personal devices and mobile phones to be left at home or, in the class of Year 6 children, handed to the class teacher at the beginning of the school day, who will lock these securely away until the end of the day.
- Mobile phones or personal devices are not to be used by learners during the school day at all.

With this in mind, we would ask parents that children **leave smart watches at home**, so that they do not need to be looked after by staff, as we can take no responsibility for loss or damage that may occur.

Thank you for your support,

Miss H Ballard
Assistant Headteacher
