A Learning Ladder for Life

22nd May 2024

Dear Parents and Carers,

We are writing to inform you of some sad news that may affect some of our students at school. Recently, the family of Rosie, Riley and Tyler Cogger have experienced the death of their father, Mr Ricky Addison.

You may wish to speak to your child about this in a way that is appropriate for them. You can find some advice on how to talk to your children about death and dying on [Child Bereavement UK](http://ChildBereavementUK.com).

If you have any questions or concerns about how to support your child during this time, please do not hesitate to contact your child's teacher or our FLO (Ms Parkhouse). We can also provide additional resources or direct you to further local support.

This is an incredibly difficult time for the family. We understand that the loss of a parent can be a profound experience, and we want to ensure that our school community offers them the support and privacy they need.

We understand that some families may wish to send condolences to the family but would ask that you respect their privacy at this very difficult time. If you do wish to send cards or well wishes please pass these to the office who will ensure they are passed to the family.

Our thoughts are with Rosie, Riley and Tyler and their family during this difficult time.

Yours sincerely,

Mathew Currie
