

SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - *Term 4*

This Learning Flyer shows what your child will be learning this term.

English

To begin the term, we will be writing a poem about having a conversation with a tree. We will then move on to explore the topic of inclusion and diversity through retelling the story of Elmer. We will be expanding our vocabulary and challenging ourselves in each of these pieces of writing.

How can you help?

Rollama is a great resource to support spelling, punctuation and grammar. [Rollama](#)

Maths

In maths this term we will begin by exploring decimals and percentages. We will be looking at the place value of digits and then moving on to order and to round. We will then move on to perimeter and area before finishing the term with statistics.

How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Science

In Science this term, we will be continuing to explore properties and changing materials. We will identify which properties materials have, scientific methods for separating materials and identifying reversible and irreversible changes.

How can you help?

[Watch this BBC video about properties and changing materials!](#)

History

Our history learning for this term will be focusing on the Transatlantic Slave Trade. We will explore the route taken, the conditions faced and the abolition of slavery.

How can you help?

[Have a look at this page for an overview of the Transatlantic Slave Trade.](#)

Physical Education

During outdoor PE sessions this term the children will be learning to play tennis. With our Team Theme coach, the children will be learning Lacrosse.

Music

In music we will be exploring African-American Spirituals. We will discuss the origins of the genre and will be learning to sing Swing Low Sweet Chariot in an a cappella style.

Computing

The children will be learning how to stay safe online as well as exploring the idea of stop motion animation. We will develop our understanding before planning and creating our own.

Art

Year 5 will be learning about form and developing their sculpture skills this term. They will be studying the assemblage artist Louise Nevelson and Cubist artist Pablo Picasso and use their knowledge of sculpture to create some magnificent bas and high relief models.

Geography

In geography we will be learning about Australia. We will be exploring the physical geography and the human geography before making comparisons to places we have learned about previously.

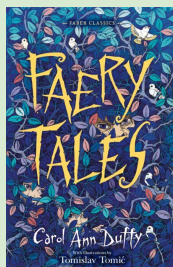

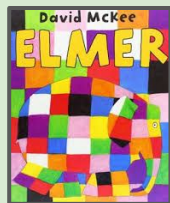

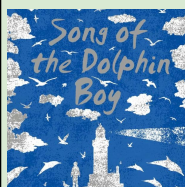

RE Day

Our question this term is "What do religions say to us when times get hard?"

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is 'Healthy Me'. We will be discussing smoking, alcohol use and food. We will also discuss the recovery position. We will use our Zones of Regulation lessons to help in regulating our feelings.

Books we will be reading this term:

Value of the Term

Determination

We try hard in everything we do.

We aim to be the best we can be in everything we do.

We reflect and always strive to improve.
