

SOUTH BOROUGH PRIMARY SCHOOL

Year 2 Learning Flyer - *Term 4*

This Learning Flyer shows what your child will be learning this term.

English

This term we will begin by reading Elmer and writing our own versions of the story. We will look at conjunctions and apostrophes. After this, we will be writing a letter to the King and writing a description of a dragon. We will include expanded noun phrases and adverbs.

How can you help? Please practice handwriting with your child, especially letters that are tall or go under the line.

Science

We will be finishing looking at animals including humans by exploring hygiene and how germs spread. We will then be focusing on plants focusing on the question, Prove that plants require water, light and a suitable temperature to grow.

How can you help? Show your children any plants or flowers that are growing and discuss how this is happening.

Computing

In computing this term, Year 2 will be looking at the topic 'Data Handling'. The children will explore how computers are used in space. They will have a chance to retrieve data from a spreadsheet and create an algorithm that could be used on the International Space Station.

How can you help? Please continue to discuss online safety with your child.

RE Day

Our religion this term is Hinduism. Our key question is How should we care for others and the world, and why does it matter?

Maths

This term, we will continue with our learning on multiplication and division. Towards the end of term, we will start to explore fractions and we will be looking at finding a half, a quarter and a third.

How can you help? Encourage your child to play numbots regularly. Practise the 2,5 and 10 times table with your child.

History

This term we will be learning all about The Tudors with a focus on the question, What makes the tudors an interesting family to learn about? We will look at the life of Henry VIII, his children and explore what happened during their reign.

DT

This term, our learning in DT will be covering the topic of 'a balanced diet'. Over the term, the children will design and create a healthy wrap.

Music

In Music this term, the children will be listening to 'Night Ferry' by Anna Clyne. The children will be focussing on creating beats and the children will work towards performing their own music.

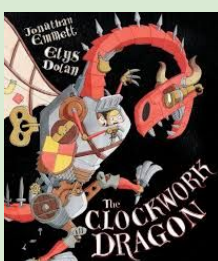

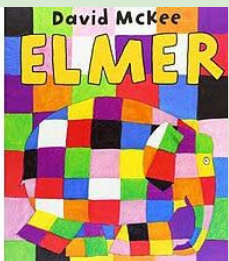

Art

This term year 2 will be using their knowledge of lines and shapes to sketch form. They will explore the use of value to increase the appearance of form and create some spectacular relief sculptures in the style of Calvin Nicholls.

Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, our topic will be Healthy Me. We will explore how to eat healthy, use medicine safely and the importance of feeling relaxed.

Books we will be reading this term:

Physical Education

In P.E this term the children will be taking part in tennis and netball. The children's PE days are **Wednesday and Thursday**. Please ensure that children wear their PE kit to school on these days.

Value of the Term

Determination

**We try hard in everything we do.
We aim to be the best we can be in everything we do.
We reflect and always strive to improve.**
