

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 6 Learning Flyer - *Term 4*

This Learning Flyer shows what your child will be learning this term.

### English

Firstly, we will be producing a persuasive speech based on the story of Elmer, whilst also focussing on speaking out against bullying. Following this, the pupils will write a narrative about a World War 2 soldier who loses his comrade during battle.

### How can you help?

Log in to [Rollama](#) throughout the week to work on your grammar, punctuation and spelling.

### Maths

We will begin this term by recapping the four operations, including fractions. After this, we will spend some time looking at ration and algebra before moving onto area, perimeter and volume.

### How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

Log on to [Method Maths](#) and complete some activities.

### Science

In Science this term, we are continuing with the topic Materials: Changes of state. We are going to look at how mixtures are separated, reversible and irreversible changes and interpreting the data to answer questions.

### How can you help?

[Watch this BBC video about properties and changing materials!](#)

### Design Technology

This term, we will be working collaboratively to make water walls! The pupils will design, build and review their models.

### History

This term, our topic will be 'World War II'. We will explore when and where WW2 took place. We will also explore happened during the Battle of Britain and the Blitz.

### Physical Education

Our outdoor PE session will be based on Tennis. With our Team Theme coach, the children will be using their teamwork skills to develop their lacrosse skills.

### Computing

The pupils will be focussing on Data Handling. We will look at Big Data. To begin with, the children will be exploring barcodes and QR codes. After this, we will be studying Radio-Frequency identification and analysing real life data. Our online safety lesson this term is about how to capture bullying content as evidence!

### Art

This term year 6 will be developing their knowledge of form and will study the architectural artist Friedensreich Hundertwasser. They will use their understanding of biomorphic and geometric form to cultivate their ability in high relief sculpture to create some malleable masterpieces!

### Geography

Our learning will help us build knowledge to describe the human and physical geographical features of South America. Pupils will also study the wonder of the Inca empire.

### RE Day

Our question this term is "What do religions say to us when times get hard?"

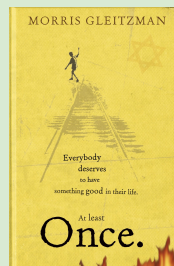

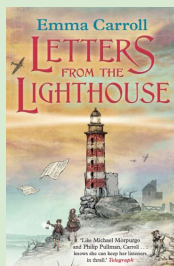

### Music

Pupils will be learning about blues music, whilst also learning how to play the glockenspiel!

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is 'Healthy Me'. Children will be looking at the meaning of responsibility and how that relates to our own health and wellbeing.

### Books we will be reading this term:

### Home Learning - [Click here](#)

Read for 20 mins each night - signed reading records earn rewards!  
Remember to log into TTRS and Rollama to earn certificates & rewards.

### Value of the Term

## Determination

We try hard in everything we do.

We aim to be the best we can be in everything we do.

We reflect and always strive to improve.
