

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - *Term 1*

This Learning Flyer shows what your child will be learning this term.

English

We will be creating a narrative based on a short film called "Impasse". Pupils will retell the story of the lone man wandering through the desert, capturing his emotions and intriguing back story. Then, the children will be writing a persuasive letter to Mr Pollard to request that Walter Tull (World War I officer) is awarded The Military Cross.

How can you help?

Log on to [EdShed](#) to support spelling.

Log on to [Rollama](#) to support grammar and punctuation.

Maths

Our maths lessons this term will begin with looking at number and place value. Following this, we will focus on the four operations, where we will introduce new concepts, such as long division.

How can you help?

Use the video guides below and try some questions at home!

[Long Multiplication - Click Here](#)

Science

This term we will be focussing on Evolution. We will explore fossils and how they help us understand evolution. We will also research Key Figures in relation to evolution such as Charles Darwin.

History

This term, pupils will be exploring World War 1. We will begin the topic looking at the causes of the war, the importance of alliances and research the key historical figures.

Geography

In geography, we will be learning about spatial sense. We will look at longitude, latitude as well as using maps to help us understand our environment,

Physical Education

This term, the pupils will be doing Tag Rugby. The children will also be developing their coordination, batting and catching skills in Rapid Fire Cricket sessions!

How can you help?

[Here are the rules for rapid fire cricket](#) - why not try a game at home.

Computing

This term, Computing learning will be linked to our History learning of WW1. Pupils will explore the use of codes, the importance of passwords and research historical figures and their contributions towards computer science.

RE

RE this term will focus on love, forgiveness, reconciliation and redemption in a range of religions.

Art This term year 6 will be defining their drawing skills using their knowledge of lines, shape, form, tonal value, space and perspective. They will develop their use of orthogonal lines to help them sketch 2 point perspective cityscapes. Year 6 will be studying the fantastic artists such as Paul Nash and Stephen Wiltshire.

Design Technology

We will make water walls! The pupils will design, build and review their models.

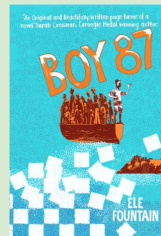

Music

This terms music will focus on voice and body percussion. We will study how to make music using our bodies and create a performance!

Personal, Social, Health and Economic Education (PSHE)

Our first term will be based around resilience. We will look at different strategies to face challenges, and explore the role of emotions in our lives. As well as this, we will explore how making mistakes are an opportunity for learning.

Books we will be reading this term:

Value of the Term

Determination

We don't give up and aim to be the best we can be in everything we do.
