### Further Readers

- Children will bring home at least 1 reading book at a time.
- Further readers should read independently for approximately 20 minutes daily.
- 1 read per day - Record in their Reading Record to earn rewards.

**At South Borough, we celebrate our pupils' reading progress and reward home reading achievements —click the link (left) to find out more about our rewards!**

## WRITING

Spelling Shed

### Spelling Shed

**Years 2 to Year 6**

- 5–10 minutes a day, 4 to 5 times a week. Short, daily practise builds long-term memory far more effectively than one long session at the weekend.
- Open the Spelling Shed app or website and have your child select their weekly teacher-assigned list.

- Encourage your child to begin on lower difficulty levels (e.g. Easy or Medium) to build accuracy and confidence before moving to Hard or Extreme.
- Focus on accuracy over speed: Remind them that earning maximum 'Honey Pots' comes from correct spellings rather than just quick guessing.

**We love recognising hard work in school! Each week, the pupils who earn the most points in their year group are rewarded with Sid the Spelling Sloth.**

### Numbots

**Years Reception to Year 3 (plus any other year group)**

In order to get the best out of NumBots, we recommend that children play regularly for short bursts of time, aiming for 3 minutes, five times a week.

### TTRS

**Years 3 to Year 6 only**

We recommend a "little and often" approach to spelling—just 3 minutes of practice a day, 4 or 5 times a week is a fantastic target.

**To keep the children motivated, we celebrate their hard work and progress every week in our celebration assemblies with trophies and medals!**
