

Maths at Home

At South Borough we use two maths platforms for home learning: Times Tables Rockstars (TTRS) and Numbots.

Reception, Years 1 & 2

In order to get the best out of NumBots, we recommend that children play regularly for short bursts at a time, aiming for 3 minutes, five times a week.

To find out more about Numbots, click on [this link](#) for a video which shows you what it is all about and how to navigate.

[Parents & Carers - Numbots Guide](#)

Years 3, 4, 5 & 6

We recommend a "little and often" approach; 3 minutes practice a day, 4 or 5 times a week is a good target.

To find out more about TTRS, click on [this link](#) for a video which shows you what it is all about and how to navigate.

Weekly Rewards

Each week one child in each year group with the most amount of correct answers will receive a trophy to keep in their classroom and on their desk.

These will be presented to the children during our special **Power of Purple Assembly**.
