A Learning Ladder for Life

11th May 2026

Dear Parents/Carers,

RE: Super Agent Training School (SATs)

As you may already be aware, there are optional Key Stage 1 National Curriculum tests for Year 2 children to take part in. I am writing to inform you that we have opted into these tests. **We will be mainly administering the tests the week beginning Tuesday 2nd June 2026.** The children will be told that these are Super Agent Training School (SATs) missions so please play along if your child mentions these at home.

While these tests are optional, we choose to administer them as they are benchmarked and standardised national papers. This provides us with a clear, objective picture of each child's attainment. When coupled with our ongoing classroom assessments and daily work, these results help us ensure we have a comprehensive understanding of your child's progress and how best to support their future learning.

We would like to take this opportunity to remind you that the event should not worry or stress the children or yourselves but if you have any concerns, please talk to your child's class teacher. You may want to let the teaching team know about any issues that may arise before coming to school. If this is the case please can we ask that you message on Class Dojo and if you would like to speak in person please state this and we will try our hardest to do so.

Please go to [this link](#) to find out more information about SATs should you need it:

Superhero Day - Celebration - Friday 12th June 2026

To celebrate the end of the SATs period, the children will be invited to take part in a Superhero event on **Friday 12th June 2026**. For this the children can come dressed as a superhero or in superhero themed clothes. There will be activities throughout the day for your child to complete, including a party in the afternoon to celebrate the end of the Super Agent Training School. Further information about Superhero day will be sent out through Class Dojo nearer to the date.

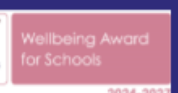

Thank you for your continued support.

Miss Walter
