Deputy Headteacher: Mr L Clarke

A WARM WELCOME BACK...

It has been so lovely having all of the South Borough community back together. It was quite emotional to watch the children bounce through the gate on Monday morning, eager to see their friends, teachers and resume face to face learning. Well done and thank you to all parents and children for your support during the period of remote learning but above all a huge pat on the back for all the great work you have done at home.

Enrichment days

Our initial focus has been and will continue to be, to support children in every way possible to settle them back into school life. We acknowledge that many children will have been somewhat isolated during this lockdown and have had less opportunities than normal to engage in activities with other children. We have therefore decided that each class will enjoy an enrichment day per week. These started this week and have been thoroughly enjoyed by children and given them the time they need to reform relationships with their friends and teachers and get their brains thinking. Here's what the children have got up to this week:

Year R - PE day Year 1 & 2 - India Day Year 3 - Play and design your own board games
Year 4 - DT day Years 5 & 6 - Team Building day

Positive Behaviour Policy

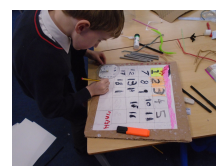

Many parents will remember that we launched a new 'Positive Behaviour Policy' and systems in November 2020. Please follow the link to view the document or watch this [short video](#) that Mr Currie has produced for the children. Many of these systems have been implemented successfully, whilst others we have decided to hold off on until all children returned. Now they have, we are intending to resume our flight path to getting all elements of this off the ground and embedded into our school systems. We are interested in feedback from parents on the new behaviour systems. If you wish to contribute to this, please complete this form by the end of next week: <https://forms.gle/y2WjWLQi1DfqG71v8>

Traffic and parking at the end of the day

We understand that many parents have experienced long waits to get in and out of the car park at the start and end of the day this week. However frustrating this is, we ask you all to remain patient and calm. There is no need to rush. Please be reassured that we will keep your children safe until you arrive to collect them. We would also ask parents who use the car park to obey the one way system that is in place and avoid cutting in front of others. Thank you for your cooperation with this.

Covid Keepers

Thank you to everybody who completed the Covid Keepers feedback form. There was a high response rate and definitely some excellent suggestions. We have issued the same survey to staff and are keen to hang on to any good practice that we have developed during this pandemic. The leadership team will look in detail at the suggestions from staff and parents and consider carefully what to keep. Watch this space.

Show RACISM the RED card!

Thank you to all the children who have submitted their 'Show Racism the Red Card' posters. You have been very creative and thoughtful when designing your posters. Each one is different but carries the same important message.

Below are some examples that have been completed so far.
