A Learning Ladder for Life

12th July 2021

Dear Parents & Carers,

Staffing and Classes - September 2021

We are pleased to announce details of staffing and classes for the new academic year, starting 6th September 2021. Details of which class your child will be in and who their teacher will be can be found below. With your child's report, you will also find a social story. This details the name of your child's new class, photographs of the staff they will be working with and the classroom they will be in. Please share this with your child. All children will have the opportunity to spend time with their new teacher for the morning of Thursday 15th July, during which they will undertake a number of 'getting to know you activities' and have the opportunity to ask any questions.

Your child's current teacher will make certain that all important information is shared with their new teacher, in order to ensure a smooth transition for all pupils. We know that for some children, change can be a cause of anxiety, so please be reassured that we will take all necessary measures to help all children enjoy a smooth transition, including providing additional support where necessary.

After careful consideration, we have decided that children will all move up in their current classes. We recognise that the last two years have been highly disruptive for children's education and that some continuity will be welcomed and beneficial to children. We will continue to review this year on year and ensure that classes are organised in a way that leads to optimum learning.

September 2021 will see the launch of great learning opportunities and new, exciting experiences for your children. After so much recent disruption, all staff at South Borough are very much looking forward to working with our pupils in the new academic year and helping them continue to make fantastic achievements with their learning.

Thank you for your continued support.

Kind regards,

Mrs J Olivier
