A Learning Ladder for Life

18th January 2022

Dear Parent/Carers of Year 2,

RE: Science Experience Day

This term, Year 2 will be learning about plants in our science lessons. As part of our learning journey, we are hosting a 'Plant Detective' experience day on **Friday 21st January**. Please note that this date has changed to the one originally provided on the termly newsletter.

During the day, the children will have the opportunity to undertake learning activities that relate to plants including planting their own seeds and going on a nature walk.

A large part of the day will be spent outside so children will need to bring appropriate footwear such as Wellington boots ("Wellies"), other waterproof footwear or an old pair of trainers. Children should bring this change of footwear in a plastic bag and wear their school shoes to and from school. Please ensure that your child has a suitable warm coat and, if needed, a vest top underneath their school shirt. Children should wear their school uniform on this day.

We hope the children will enjoy this fantastic learning opportunity.

Thank you for your continued support.

Yours sincerely,

Miss Walter and Miss Wright
