**A Learning Ladder for Life**

2nd February 2022

Dear Parents / Carers,

## **RE: Lego Robotics and Coding**

As part of our learning about how we can change the world, Year 4 will be involved in a **Lego Robotics and Coding workshop** on **Wednesday 9th February 2022**. Code Kids will be coming into school to host workshops, where the children will design and then create a lego prototype of the rover on Mars, they will apply their coding skills to program their prototype to complete a range of tasks.

### LEGO Robotics and Coding

We understand that this would usually be a PE day for 4C and 4N but please can children come to school in their school uniform.

The school will be paying towards some of the cost of this learning workshop. We are also asking parents/carers to make a voluntary contribution of £5 should be made via ParentPay by **Wednesday 9th February 2022**.

Thank you for your continued support,

Miss Newman, Miss Chevis and Mrs Baird.
