**A Learning Ladder for Life**

6th July 2022

Dear Parents & Carers,

## **Staffing and Classes - September 2022**

I am delighted to announce details of staffing and classes for September. Today we have shared with the children who their new class teachers are, together with the support staff in the year group. Please look out for the social story that your child will bring home tonight, which outlines the adults who will be working with them next year. Please look also at the list below to see the whole school staffing structure for next academic year.

## **Transition**

The children have spent the morning in their new classrooms with their new teachers. During the morning teachers have undertaken a range of activities that will enable them to get to know your children and outline clearly the new year group expectations in readiness for September. We very much hope that this morning has enabled children to start the important process of adapting to their new classes.

## **Mixed classes**

We have decided that classes in the current Reception and Year 3 will be mixed. New classes have been organised around the children's friendship groups as well as our knowledge and understanding of the dynamics and needs of individual children and groups. We will continue to review this year on year and ensure that classes are organised in a way that leads to optimum learning. We understand this can be an anxious time for parents and would like to reassure all that our decisions have been carefully considered and based on the best interests of the children. As with any change, it will take time to adjust but as ever we would encourage you to be positive and reassure your child.

## **Staff Leaving**

After three years, both Mr D Smith and Ms Brough are leaving South Borough and moving onto new adventures. On behalf of the whole South Borough community, I would like to extend my sincere thanks to both members of staff for everything they have done to support the learning and development of children in their classes. I would also like to wish both colleagues well and wish them the best of luck for their future endeavours.

At the end of this term, we are also saying a fond farewell to Miss May, who has worked as a teaching assistant at South Borough for over 7 years. Miss May has provided incredible support, both academically and emotionally, to many children during her time here. Thank you for everything you have done here at South Borough and good luck as you take on a new position at the Science School.

## **Staffing for next year**

I am delighted to inform you that we have successfully appointed two new teachers for September. Miss Monticelli, who has been working at South Borough as a School Direct teacher, will become part of the teaching team. We also have Miss Croucher joining the Year 3 teaching team from September. I am delighted to welcome Mrs Matthews as a teaching assistant and Mrs Taylor, who will be a HLTA starting in September.

I am extremely excited about the great learning opportunities that await your children at South Borough next year. Thank you for your continued support,

Mr M Currie  
Head of School
